New Delhi, the 21st May, 1990

S.O. 1652.—In exercise of the powers conferred by section 53 of the Banking Regulation Act, 1949 (10 of 1949), the Central Government, on the recommendation of Reserve Bank of India, hereby declares that the provisions of section 9 of the said Act shall not apply to Bank of Madura Ltd. for a period upto 12th March 1993 in respect of the immovable landed property of 4.51 acres held by it at Vandanamuri Village, Ambalapuzha Taluka, Alleppy District, Kerala State.

[No. 15/5/90-B.O.III]

का. प्रा. 1653—यतः बैंककारी विनियमन अधिनियम, 1949 की धारा 45 द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, तथा उसके अनुसार केन्द्रीय सरकार ने नेशनल बैंक आफ लाहौर, लि. बिल्ली के भारतीय स्टेट बैंक के साथ विलय के लिए 20 फरवरी 1970 को एक योजना मंजूर की थी।

यतः उक्त योजना के खण्ड 6 के उपखण्ड (ix) के अधीन भारतीय स्टेट बैंक द्वारा नेशनल बैंक आफ लाहौर लि०, दिल्ली की परिसम्पत्तियों का अन्तिम रूप से मूल्यांकन नियत तारीख से बारह वर्षों की समाप्ति के पश्चात् अपेक्षित था जो कि नियत तारीख को अन्तिम रूप से मूल्यांकित कर लिया गया है।

यतः भारतीय स्टेट बैंक ने यह अभ्यावेदन किया है कि बड़ी संख्या में परिसम्पत्तियां अस्तित्व होने और बैंक के प्रयासों के बावजूद अधिकांश मधों की वर्षालियां अभी बाकी होने के कारण बैंक, विलय योजना के खण्ड 6 के उपखण्ड (ix) में निर्दिष्ट समय के भीतर परिसम्पत्तियों का अन्तिम रूप से मूल्यांकन करने में असमर्थ रहा है।

और यतः केन्द्रीय सरकार, भारतीय रिजर्व बैंक से परामर्श करने के बाद इस बात से संतुष्ट है कि विलय योजना को लागू करने में कठिनाई पैदा हो गई है, और उतना समय बढ़ा कर जितने में परिसम्पत्तियों का अन्तिम रूप से मूल्यांकन अपेक्षित है, उक्त कठिनाई को दूर करना जरूरी है।

अतः अब नेशनल बैंक आफ लाहौर लि० दिल्ली के भारतीय स्टेट बैंक के साथ विलय की 20 फरवरी, 1970 की विलय योजना के खण्ड 21 द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, केन्द्रीय सरकार एतद्वारा निवेश देती है कि भारतीय स्टेट बैंक भारतीय रिज़र्व बैंक के परामर्श से तथा उसके अनुमोदन से नेशनल बैंक आफ लाहौर लि० दिल्ली की उन परिसम्पत्तियों का, जिनकी वसूली और मूल्यांकन नहीं हुआ है, नियत तारीख से इक्कीस वर्षों की अवधि के भीतर मूल्य कन कर लेगा।

S.O. 1653.—Whereas on 20th February 1970 a scheme of amalgamation of the National Bank of Lahore Ltd., Delhi with the State Bank of India was sanctioned by the Central Government in exercise of the powers conferred by and in accordance with Section 45 of the Banking Regulation Act, 1949.

Whereas under Sub-clause (ix) of Clause 5 of the said Scheme, the State Bank of India was required to make a final valuation of the assets of the National Bank of Lahore Ltd., Delhi, which have been provisionally valued on the prescribed date on the expiry of twelve years from the prescribed date.

Whereas the State Bank of India has represented that in view of the large number of assets involved and the recovery of most of the items yet to be realised in spite of its efforts, it has not been able to make the final valuation within the time specified in sub-clause (ix) of Clause 6 of the Scheme of amalgamation.

And whereas the Central Government in consultation with the Reserve Bank of India is satisfied that a difficulty has arisen in giving effect to the scheme of amalgamation which it is necessary to remove by extending the time within which the final valuation of assets is required to be made.

Now, therefore, in exercise of the powers conferred by clause 21 of the Scheme of amalgamation dated 20-2-1970 of the National Bank of Lahore Ltd., Delhi with the State Bank of India, the Central Government hereby directs that the State Bank of India shall in consultation with and with the approval of the Reserve Bank of India value the assets of the National Bank of Lahore Ltd., Delhi which have not been realised and valued, within a period of twentyone years from the prescribed date.

(दस लाख नौ हजार दो सौ रुपये मात्र) के लिये दिया गया था।

2. फर्म ने उपर्युक्त लाइसेंस की अनुलिपि मुद्रा विनियम नियंत्रण प्रति के लिये इस आदेश पर आवेदन किया है कि मूल लाइसेंस खो गया या गुम हो गया है। आगे यह भी कहा गया है कि मूल लाइसेंस सीमा-शुल्क प्राधिकारी दिल्ली के पास पंजीकृत कराया गया था और उसका आंशिक उपयोग किया गया था।

3. अपने तर्कों के समर्थन में लाइसेंसधारी ने नोटरी पब्लिक दिल्ली के सामने विधिवत् शपथ लेकर स्टाम्प पेपर पर एक शपथपत्र दायित्व किया है। तदनुसार मैं संतुष्ट हूँ कि मूल आयात लाइसेंस सं. आई/डी/1096895 दिनांक 20-6-88 की मुद्रा विनियम नियंत्रण प्रति फर्म से खो गई या गुम हो गई है। यथासंशोधित आयात (नियंत्रण) आदेश, 1955 दिनांक 7-12-55 की उपधारा 9(ग ग) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए मै. इण्डियन ड्रग्स एण्ड फार्मास्यूटिकल्स लि. ऋषिकेश (उत्तर प्रदेश) को जारी किये गये मूल लाइसेंस सं. आई/डी/1096895 दिनांक 20-6-88 को एतद्वारा रद्द किया जाता है।

4. उक्त लाइसेंस की अनुलिपि मुद्रा विनियम नियंत्रण प्रति पार्टी को अलग से जारी की जा रही है।

MINISTRY OF HUMAN RESOURCE DEVELOPMENT  
(Department of Youth Affairs & Sports)

New Delhi, the 18th March, 1990

S.O. 1679.—Whereas the General Committee for "National Welfare Fund for Sportsperson, New Delhi" has made an application under the Charitable Endowments Act, 1890 (6 of 1890), for the modification of the Scheme settled in terms of the notification of the Government of India in the erstwhile Ministry of Education and Culture (Deptt. of Education) No. S.O. 166(E) dated the 22nd March, 1982.

Now, therefore, in exercise of the powers conferred by sub-section (2) of Section 5 of the said Act, the Central Government, with the concurrence of the aforesaid General Committee, hereby makes the following further amendments in the Rules of the National Welfare Fund for Sportspersons Scheme, as amended from time to time, namely:—

In the said Scheme:—

(i) Para 2(f) of the Scheme shall read as follows:—

" 'Sports' means the sports and games for which a National Sports Federation duly recognised by the Central Government exists. However, other sports and games for which a duly recognised National Sports Federation does not exist, can also be covered under the Scheme if so decided by General Committee of the National Welfare Fund."

(ii) Para 2(g) of the Scheme shall read as follows:—

" 'Sportsperson' means a person who takes part in competitive sports at National level (Senior, Junior or Sub-junior) and works for achieving excellence and a high level of performance and also for promotion and development of sports in the country."

(iii) Para 2(h) shall read as follows:—

" 'Outstanding Sportsperson' means a Sports-person who has achieved a position within first 8 in individual events or within 4 in team events in a recognised National Championship, or who represents or has represented the country in an International Competition"

(iv) Para 2(i) is added as follows :—

“ ‘International Competition’ means Olympic Games, Commonwealth Games, Asian Games, World Championships, Asian Championships, Commonwealth Championships and other such recognised events. It does not, however, include purely invitational ‘Tournaments’.”

(v) Para (v) is deleted.

(vi) Para 4(xii) is amended as follows :—

“Joint Secretary (Youth Affairs & Sports),  
Department of Youth Affairs & Sport  
(Member-Secretary-cum-Treasurer)”

(vii) Para 10(iv) is amended as follows :—

“Other Assistance :—

The Committee shall also be at liberty to provide financial assistance in special cases to such persons, as are otherwise considered appropriate by the Committee, keeping in view the objectives of the funds, as laid down in para 3 above.”

(viii) Para 10(v) is amended as follows :—

“Assistance for Medical Treatment.—A financial assistance, not exceeding Rs. 25,000 may also be provided for medical treatment of an ‘Outstanding sportsperson’ in indigent circumstances.

Provided that an ‘outstanding sportsperson’ getting benefits under any other Scheme, like insurance Scheme, etc., may be provided assistance not exceeding Rs. 5,000 as an immediate relief for medical help”.

(ix) Para 10(vi) is amended as follows :—

“Assistance to sports promoters.—Lump sum financial assistance, not exceeding Rs. 10,000 may be provided to television or radio sports commentators, referee, coaches, umpires and other category of sports promoters, who were eminent but were not well off and are in indigent circumstances”.

[सं. 43015/19/86-सी.ए./एल.एस. डब्ल्यू]

New Delhi, the 22nd May, 1990

S.O. 1685.—Whereas by the notification of the Government of India in the Ministry of Energy (Department of Coal) No. S.O. 2359 dated the 25th August, 1989 published in the Gazette of India Part II, section 3, sub-section (ii) dated the 23rd September, 1989 under sub-section (1) of section 4 of the Coal Bearing Areas (Acquisition and Development) Act, 1957 (20 of 1957), the Central Government gave notice of its intention to prospect for coal in 429.70 acres (approximately) or 173.87 hectares (approximately) of land in the locality specified in the Schedules appended to that notification;

And whereas the Central Government is satisfied that coal is obtainable in the said land;

Now, therefore in exercise of the powers conferred by sub-section (1) of section 7 of the said Act, the Central Government hereby gives notice of its intention to acquire the land measuring 429.70 acres (approximately) or 173.87 hectares (approximately) described in the Schedules appended hereto;

Note 1.—The plan No. Rev/5188 dated 1-3-88 of the area covered by the notification may be inspected in the office of the Deputy Commissioner, Hazaribagh (Bihar) or in the office of the Coal Controller, 1, Council House Street, Calcutta-1 or in the office of the Central Coalfields Limited (Revenue Section), Darbhanga House, Ranchi (Bihar).

2.—Attention is hereby invited to the provisions of section 8 of the Coal Bearing Areas (Acquisition and Development) Act, 1957 (20 of 1957) which provides as follows:—

8. Objection to acquisition.

(1) Any person interested in any land in respect of which a notification under section 7 has been issued

may, within thirty days of the issue of the notification, object to the acquisition of the whole or any part to the land or of any rights in or over such land.

Explanation.—It shall not be an objection within the meaning of this section for any person to say that he himself desires to undertake mining operations in the land for the production of coal and that such operations should not be undertaken by the Central Government or by any other person.

(2) Every objection under sub-section (1) shall be made to the competent authority in writing, and the competent authority shall give the objector an opportunity of being heard either in person or by a legal practitioner and shall, after hearing all such objections and after making such further inquiry, if any, as he thinks necessary, either make a report in respect of the land which has been notified under sub-section (1) of section 7 or of rights in or over such land, or make different report in respect of different parcels of such land or of rights in or over such land, to the Central Government, containing his recommendations on the objections, together with the record of the proceedings held by him, for the decision of that Government.

(3) For the purposes of this section, a person shall be deemed to be interested in land who would be entitled to claim an interest in compensation if the land or any rights in or over such land were acquired under this Act.

Note 3.—The Coal Controller, 1, Council House Street Calcutta, has been appointed by the Central Government as the competent authority under the Act.

Dated, Dhanbad, the 21st March, 1990

## AWARD

The Govt. of India, Ministry of Labour in exercise of the powers conferred on them under Section 10(1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-12012/456/88-D.2(A), dated, the 2nd January, 1989.

## SCHEDULE

"Whether the action of the management of Bank of Baroda in not offering the post of Special Assistant

on Selection to Shri R. P. Verma, seniormost clerk in the Bihar region of the Bank at Patna main Branch, against the vacancy caused due to retirement of Shri R. S. Ram, Special Assistant on 31st December, 1985 is justified? If not, to what relief is the workman entitled?"

The case of the workmen is that the concerned workman Shri R. P. Verma was the Seniormost clerk in Bihar Region of Bank of Baroda posted at Patna main branch. The Bank of Baroda (hereto be referred as Bank for brevity) is a nationalised bank incorporated under Banking company's (acquisition and transfer of undertakings) Act, 1970 having its head office at Mandvi, Baroda (Gujrat). It has an administrative office at 63D Srikrishnapuri Patna represented by the Regional Manager. The Bank is having its branch offices, amongst other place at (1) Fraser Road, Patna which is known as Patna main branch (2) 63-D Srikrishnapuri Patna known as Srikrishnapuri branch, (3) Prakash Market, Chowk, Patna City known as Patna City branch and 4th Jagdishpur, Dist. Bhojpur known as Jagdishpur branch. The branch is having its all India policy regarding personnel matters including placement and (or) posting of his staff, their transfer, promotion allocation of duties etc.) and the Regional Manager is not free to deviate from the policy of the Bank and to act on his whims. A post of Special Assistant is a post within the clerical cadre involving greater responsibilities than that of a routine clerk and it attracts allowance which was Rs. 456 per month by way of compensation for such additional responsibilities at the material point of time. The duties of special Assistant involved checking supervising and authenticating the routine clerical work done by other routine clerks. A post of Special Assistant fell vacant on and from 1-1-86 at Patna main branch Patna of the Bank due to retirement of one Shri R. S. Ram who had been holding the said post of Special Assistant at the said Patna main branch upto 31-12-85 and retired at the close of office on 31-12-85. The Bank held an interview of eligible clerks on 30-9-86 for selection of special assistant to fill up the vacancy caused by retirement of Shri R. S. Ram

along with other eligible candidates the concerned workman Shri R. P. Verma, a clerk attached to the Patna main branch of the Bank also appeared for the said interview and was selected for the said post of special assistant made vacant due to retirement of Shri R. S. Ram. The Regional Manager, Patna sought to transfer the concerned workman Shri Verma from patna main branch of the Bank to Jagdishpur branch of the Bank on assignment to him of the duties of Special Assistant. The Regional Manager also held out a threat that if the concerned workman does not accept the offer of such transfer he will not be considered for assignment of the duties of special assistant for the next five years. Thereafter the workman raised an industrial dispute before the ALC(C) Patna but the conciliation proceeding started by the ALC(C) ended in failure and thereafter the present reference was made to this Tribunal for adjudication.

The workmen admit that transfer is a necessary and inescapable incidence of the Bank and do not contest the right of the management to transfer a workman and that the management in its discretion is empowered to transfer an employee to meet exigencies of administration. The said power of the management to order for transfer of an employee is subject to the restriction that the order of transfer should be strictly in conformity with the rules/policy and in that regard that transfer order should be bonafide and strictly for the purpose of business/or administrative requirement and also that the management must not be actuated by any motive or malafide intent to victimise a workman. The intended transfer of the concerned workman is hit by the vices as not being as per policy of the Bank, not being in the exigencies of business/administration of the Bank and being vitiated by arbitrariness malafides and motive to victimise the concerned workman. It is not the policy of the Bank to transfer an employee on assignment of duties/allowances/special allowances of a special assistant. The workmen have given the names of some of the assistants who are posted after assignment of the post of special assistant from the post of clerk. In the case of vacancies in the existing cadre of special assistant occurring due to death or retirement etc. of existing special assistant, the policy of the Bank is to post the successor in the same branch where predecessor were posted prior to his retirement or resignation. In case of vacancies created due to creation of new posts of special assistant the management makes selection out of the senior clerks for the new post of special assistant. It is contended that there is a very strong case for posting of the concerned workman as special Assistant Patna main branch of the Bank in the vacancy caused by retirement of Shri R. S. Ram. A post of special Assistant is always related to the routine clerical work handled by branch concerned as the duties of special Assistant is checking, supervising and authenticating routine clerical work done by routine clerks. The volume of routine clerical work handled by Patna main branch is not so depleted as to necessitate abolition of the post of Special Assistant previously held by Shri R. S. Ram or that the volume of clerical work handled by Jagdishpur branch has not so increased as to warrant creation of new post of special assistant at the cost of Patna main branch. The proposed transfer of the concerned workman to Jagdishpur branch as special assistant is contrary to the administrative exigency of the bank and is actuated by malafide and motive to victimise the concerned workman for his trade union activities. On the above facts it is prayed that a direction to the Bank be made to post the concerned workman Shri R. P. Verma as Special Assistant at Patna main branch of the Bank and to pay him the appropriate allowance for the post of special assistant with effect from 1-1-86 with interest and cost.

The case of the management is that the post of Special Assistant had fallen vacant in the North Bihar Region of the Bank on account of retirement of Shri R. S. Ram special Assistant on 31-12-85. In terms of clause 13.8 of the promotion policy settlement dated 22-9-77. In terms of the clause 16.8 of the said settlement the employer is required to fill up the said post of special assistant within period of one month from the date of vacancy of the post. As per laid down procedure of selection of special assistant under the said settlement an interview of seniormost eligible clerks was held on 30-9-86 and the concerned workman Shri R. P.

Verma was selected for the post of special assistant. As per the policy of the Bank with regard to post and utilisation of special assistant the concerned workman was offered the assignment of duties of special assistant at Jagdishpur branch within North Bihar Region. The service condition of the workman in the Bank is governed by the provision of Shastri Award, Desai Award, Bipartite Settlement and other settlements modified from time to time. The Bipartite settlement enumerates the additional duties of special assistant and also provides that a workman who is asked to perform the additional duties and he actually perform such additional duties of special assistant would be entitled to special allowance of Rs. 456 per month. The concerned workman was offered the post of special assistant at Jagdishpur branch vide letter dated 13-11-86. On receipt of the said letter the concerned workman instead of giving his willingness or unwillingness to accept such assignment of additional duties of special assistant at Jagdishpur has requirement under the provision of promotion policy settlement. The workmen represented by the union raised an industrial dispute before ALC (C) Patna and the conciliation before him ended in failure. The offer of assignment of additional duties of special assistant at Jagdishpur Branch was made to the concerned workman in conformity with the provision of the promotion policy settlement. Clause 2-3 of the settlement of special assistant (amendment) 1984 read with clause 7 of the settlement on other issues (amendment) 1984 provide that once a workman refuses to accept offer of assignment of duties attracting special allowance on regular basis, he shall be ineligible for receipt of such allowance on regular as well as on temporary basis for a period of 5 years from the date of such offer. The action of the Regional Manager in transferring the concerned workman as Special Assistant to Jagdishpur branch was neither arbitrary nor vindictive and the order was in conformity with the rules and provision of the settlement. It is the discretion and normal function of the management to identify the post of special assistant in terms of the promotion policy settlement and to utilise them at any branch where exigencies of administrative demand. In the case of proposed transfer of the concerned workman at Jagdishpur branch is not a case of transfer at par or a lateral transfer but is assignment of duties of special assistant on performance of which the concerned workman will be entitled to the additional special allowance of Rs. 456 per month. On the above facts it is submitted on behalf of the management that there is no merit in the case of the concerned workman that he is entitled to no relief.

The points for decision are :—

- (1) Whether the action of the management of Bank of Baroda in not offering the post of Special Assistant on selection to Shri R. P. Verma (concerned workman), seniormost clerk in the Bihar Region of the Bank at Patna main branch against vacancy caused due to retirement of Shri R. S. Ram Special Assistant on 31-12-85 is justified?
- (2) To what relief the concerned workman is entitled?

The management and the workmen each examined 2 witnesses in support of their case. The documents of the management are marked Ext. M-1 to M-9 and the documents of the workmen are marked Ext. W-1 to W-7 on admission of parties.

#### Point No. 1

Most of the facts of the case are admitted. It is the admitted case of the parties that the concerned workman Shri R. P. Verma was the seniormost clerk in Patna region of the Bank. It is also admitted that the concerned workman was elected for being posted as special assistant with special allowance on the vacancy caused on the retirement of Shri R. S. Ram. From the W.S. of the parties and the submission made by them it appears that both the parties based their stand as per para 13.8 of the promotion policy of clerks as special assistant marked Ext. M-1. Before coming to para 13.8 of the promotion policy Ext. M-1 I would refer to the policy regarding promotion of clerks as special assistant as envisaged in para 13.1 of Ext. M1. It provides that

the Bank shall promote the clerical staff to the cadre of special assistant in the ratio of 15 per cent of internal promotion to officers cadre from the date of declaration of such promotions to officers cadre. It will thus appear that it contemplates of creation of new posts of special assistant. Para 13.2 provides that promotion of special assistant would be made on the basis of seniority reckoned on the basic pay ignoring special allowance on the first day of the month in which the promotion as special assistant is to be made. Para 13.5 provides that the provision of para 529 of Shastri Award will be applicable for selection of such special assistant and the management will have their right to supersede a seniormost employee in terms of that paragraph. Para 13.6 provides that for the purpose of considering seniority all employees in clerical cadre in the state or the administrative region of the bank, whichever is smaller will be considered the unit for the purpose of promotion as special assistant. Para 13.7 provides that to become eligible for promotion as special assistant the employee should have minimum 3 years of service in clerical cadre in the bank. All these provision in para 13.2, 13.7 relate of promotion of clerks as special assistant when new posts are created as envisaged in para 13.1 and in the present case we are not concerned with the said provision except that a seniormost clerk has to be offered the post of special assistant on the post in case of vacancy caused due to retirement.

The relevant provision for the purpose of this case is para 13.8 of Ext. M-1 which provides that the vacancies caused in the special assistant cadre on account of retirement, death, resignation etc. would be filled in on usual norms within one month of the occurrence of such vacancies. Para 13.8 is a specific provision for promotion regarding vacancies caused in special assistant cadre on account of retirement etc. and in this case the said vacancy has to be filled in within one month from the date of occurrence of such vacancy. It does not contemplate selection to the post of special assistant by interview etc. It is an almost a quick provision in which the appointment to the post of special assistant has to be made and the senior most clerk is to be placed as special assistant in place of the vacancy caused on retirement transfer etc. WW-1 Shri A. K. Mishra is posted in the main branch of Bank of Baroda as clerk. He is general secretary of the Bank of Baroda staff, Unit Bihar affiliated to Bank employees federation of India through Eastern Regional Council of Bank of Baroda employee association. He has stated that as office bearer of the union he tried to assure his union members getting justice within the main frame of bank's policy settlement. He further states that regarding posting of special assistant there are 2 categories—One category is when the Bank fills up the vacancy created out of the promotion from a clerical to officer cadre and the other type of vacancy is one which is created on the death, resignation, retirement of special assistant. He states that in case of the first category the management decides the post by a notification prior to the interview conducted by the Bank of the eligible candidates and in the second category the management fills up the vacancy at the same branch/office where the predecessor special assistant was working. There appears to be no reason to disbelieve WW-1 on this fact as discussed above by me is based on the provision of para 13.1 and 13.8 of Ext. M-1. WW-2 has stated that according to para 13.8 of promotion policy vacancies caused due to death, retirement or resignation in the existing cadre are filled up within one month from the date of such occurrence and the senior most incumbent is invariably posted in the same branch where the vacancy occur. MW-1 is working as Personnel Officer in the Bank of Baroda. He has stated about the duties and responsibility of special assistant which is enumerated in the Bipartite settlement. In cross-examination he has stated that there is no circular or any letter of the Bank regarding the policy of the posting of the special assistant and that the Regional Manager under his discretion makes the posting which power is given to him under the promotion policy settlement. MW-2 is working as a Manager, Personnel for the Bank of Baroda. He has stated that the Regional Manager decides the place of posting in the region and it is the regional manager's discretion of the posting of special assistant. In cross-examination he has stated that the Regional Manager derives his authority from

the promotional policy settlement regarding the place of posting of special assistant and that there is no guideline given to the Regional Manager for the place of posting of special assistant to his knowledge. He is also not aware if any guideline from the Central Office has been issued for the use of discretion by the Regional Manager in this regard. In my opinion, there is no scope for the Regional Manager to exercise his discretion in posting the newly promoted special assistant in the vacancy caused by retirement. Para 13.8 contemplates of quick disposal in the promotion of special assistant on account of death retirement etc. because the vacancy is caused at a particular place due to the death retirement resignation or transfer and as such the Regional Manager has to post the seniormost clerk of the region at the place where the vacancy is caused. It is only in the case of post or creation of new post of special assistant that the management has discretion to post a newly selected special assistant to the newly created post of special assistant at his discretion. In that particular case the discretion is entirely with the Regional Manager and the said fact is not disputed by the workmen. Discretion can be used by the Regional Manager only when there is no specific provision. In para 13.8 posting has to be made at the place where the post falls vacant due to retirement, resignation etc. and the Regional Manager in my opinion has no choice of transfer of a senior most clerk promoted to the post of senior Assistant on the vacancy caused due to retirement of Shri R. S. Ram. He has no doubt the discretion subsequently to transfer the said incumbent to the post of special assistant at any other place where the post of special assistant is already created.

There is nothing on the record to show that the Regional Manager had abolished the post of special assistant at Patna main branch as it was not necessary to post special assistant at Patna. There is also no document or decision of the Regional Manager to show that he had decided to abolish the post of special assistant at Patna main branch and that seeing the exigency of work at Jagdishpur branch, he created a post of special assistant at Jagdishpur branch of the Bank. The management has filed Ext. M-6 dated 16-3-1988 in which the staff strength of Patna branch and Jagdishpur branch as on 1-1-86 (the date from which the vacancy of special assistant fell due on the retirement of Shri Ram on 31-12-85) and 1-3-1988. It will appear that on 1-3-1986 there were 14 officers, 28 clerks, 13 sub-staff at Patna main branch and 5 officers 7 clerks and 6 sub-staff at Jagdishpur branch. It further shows that on 1-3-1988 Patna main branch had 12 officers and 27 clerks, and 13 sub-staff and at Jagdishpur branch there are 5 officer, 6 clerks and 6 sub-staff. Admittedly the work of special assistant is checking supervising and authenticating the routine clerical work done by other routine clerks. On perusal of the figures stated above it will appear that there were 3 officers, 6 clerks and 6 sub-staff. Admittedly the work of 28 clerks and 14 officers in Patna main branch. Thus the proportion of the officer at Patna main branch in 1986 was one officer on 2 clerks whereas at Jagdishpur branch the ratio of the officers was more to the number of the clerks and was far greater at Jagdishpur branch. Thus the hollowness of the power, using discretion by the Regional Manager in transferring the concerned workman to Jagdishpur branch instead of placing him at Patna main branch becomes apparent. The letter Ext. M-5 is dated 22-3-1988 when the industrial dispute was raised. No such order was passed by the Regional Manager before posting and transferring the concerned workman at Jagdishpur branch of the Bank.

Taking all the facts, evidence and circumstances of the case into consideration I hold that the action of the management of Bank of Baroda in not offering the post of special assistant on selection to the concerned workman Shri R. P. Verma, senior most clerk in Bihar Region at Patna main branch against the vacancy caused due to retirement of R. S. Ram, Special Assistant on 31-12-1985 is not justified.

#### Point No. 2

In view of the finding made above on Point No. 1 the concerned workman deserves to be posted as Special Assistant at Patna Main Branch of Bihar Region of the Bank of Baroda at least with effect from 1-2-1986 as according to para 13.8 of Ext. M-1 the Seniormost clerk is automatically to be offered the post of Special Assistant within one month of the occurrence of the vacancy caused by retirement of Shri R. S. Ram on 31-12-1985. It is true that the concerned workman has not functioned/performed his duties of Special Assistant.

it was not the fault of the concerned workman but he was prevented to join because of the management's wrong interpretation of para 13.8 of Ext. M-1 in offering the post of special assistant to the concerned workman at Jagdishpur branch of the Bank. In the present case the management was not within its right or discretion to transfer the concerned workman at Jagdishpur branch when in case of retirement of the incumbent the posting of the senior most clerk is to be made against the post and place which has fallen vacant due to retirement. In this view of the matter the concerned workman deserves the special allowance of special assistant with effect from 1-2-1986. I further hold that as the concerned workman was posted as Special Assistant at Jagdishpur branch of the Bank against the provision of the settlement referred to above, the order passed by the management debarring the concerned workman for any special post special assistant for a period of five years is also a wrong order and the same cannot be sustained. The management is therefore directed to post the concerned workman as Special Assistant at Patna main branch of the Bank and should also pay the arrears of allowance of the special assistant with effect from 1-2-86 within one month from the date of publication of the Award. The workmen had prayed for interest and cost also. But I am not inclined to allow either of them as I have already allowed the concerned workman the special allowance of Special Assistant even though the concerned workman did not actually perform the duties of Special Assistant.

An Award is passed accordingly.

#### AWARD

This is a dispute referred by the Government of India under Sec. 10(1)(d) of the Industrial Dispute Act. The issue referred for adjudication in the reference order dated 27th February, 1989 reads as follows:—

"Whether the action of the management of the Indian Overseas Bank in changing the service conditions of Shri K. Vijayakumar, Cashier for more than six years continuously at the Pathanamthitta Branch thereby taking away the duties of Cashier and its special allowance for his alleged refusal to conduct cash transaction at the start of business hours on 16th March, 1988 instead of taking recourse to proper disciplinary proceedings, w.e.f. 23rd June, 1988

vide notice under Section 9-A of the I.D. Act, 1947 is proper and justified? If not, to what relief is the concerned workman entitled?"

2. The workman K. Vijayakumar was appointed in the Bank initially as a Shroff/Godown Keeper. But from 6th September, 1982 onwards, he was working as a Cashier in the Pathanamthitta branch of the management bank. The assignment of work as a Cashier was considering his seniority in the clerical category. While so, in response to a strike call given by the Bank Employees' Federation of India, he participated in the strike on 15th March, 1988. On the previous day, after closing accounts, the workman handed over keys to the Manager of the Bank by giving a letter. In that letter he had stated that while rejoining duty after the strike on 16th March, 1988, he might be given opportunity to verify physically the cash balance in the chest. After rejoining duty on 16th March, 1988, he started verification of the currencies in the chest. Then the Manager of the Bank insisted him to start the cash transaction at the scheduled time itself. It is alleged the workman was not prepared to carry out the instruction. After the verification the cash transaction was started only at 11 A.M. on 16th March, 1988. Being dissatisfied with the conduct of the workman, the Manager of the Bank decided to shift him from the charge of cash. A letter on that behalf was given to the workman on 16th March, 1988 itself. The shifting of the workman from the cash section was with a warning that unless he agreed to follow the normal procedure of cash transaction he could not be entrusted with the work of cash department. It was also alleged therein that the action of the workman was against the interest of the bank and his conduct would be nothing but wilful insubordination and disobedience of lawful and reasonable orders of the superiors. As a consequence of the removal from the cash department, special allowance granted to him amounting to Rs. 164 per mensem was also withdrawn. In that circumstance the union interfered and an industrial dispute was raised. However on account of the insistence of the union, the management restored the special allowance which was being given to the workman. After some time, by a letter dated 24th May, 1988 the workman was asked to show cause why disciplinary action should not be taken against him for insubordination and refusal to obey the lawful and reasonable orders of the management. The workman submitted reply to that justifying his action. However the management did not pursue with the show cause notice. Finally a notice in Form 'F' (R. 34) was issued to the union on 2nd June, 1988 and that was a notice purporting to be in terms of Sec. 9(A) of the Industrial Disputes Act. In that notice it was informed that the management was proposing to change the service conditions of the workman concerned with effect from 23rd June, 1988. The notice and the annexure to it are marked as Ext. M1 & M1(a).

5. The contention of the union is that the management has no right to withdraw individual benefits by invoking Sec. 9-A of the Industrial Dispute Act. Since the withdrawal of special allowance in so far as the workmen concerned is apparently a punishment, the same cannot be effected without conducting a proper enquiry. According to them, as per Clause 3(1)(a) of the bipartite settlement of the year 1979 the withdrawal of special allowance is a punishment and therefore any withdrawal of special allowance can be effected only after initiating disciplinary action. In view of this position, the union contends that the issue of notice under Sec. 9-A of Industrial Dispute Act for withdrawing any individual benefit is illegal and unsustainable.

6. The facts narrated above are not in dispute and that is evident from the statement of the management filed before this Tribunal. According to them, allocation of job is purely a managerial function and therefore no employee can stake claim for continuance as a Cashier as a matter of right. Even as per the Desai award, an employee will be entitled for special allowance only if he is put in charge of a work to which special allowance is payable. Getting of special allowance is not at all a condition of service in so far as an employee is concerned. If the employer feels that a particular employee is not suitable for handling the work of a particular department there is no bar for his shifting to some other department. Relying on a provision contained in the bipartite settlement dated 31st October, 1979 the management contends that for a misconduct, special allowance given to an employee can be withdrawn. According to them an

enquiry is necessary only if there is a misconduct. Merely because the withdrawal of special allowance is added in the list of punishments, the contention that for the non-entrustment of duties involving special allowance also an enquiry should be conducted is unsustainable according to the management. It is also contended by them that only to avoid conducting of an enquiry, notice under Sec. 9-A was issued to the union and also to the workman concerned. Even for the withdrawal of special allowance to an individual employee, provision contained in sec. 9-A of the I.D. Act can be invoked. These are all in sum and substance the contention of the management.

7. It is not in dispute that the workman was working as Cashier in the Pathanamthitta branch from 6th September, 1982 onwards. Even before the alleged incident on 16th March, 1988, a similar incident occurred in 1987 also. That is revealed from the pleadings as also documents produced by the parties concerned in this dispute.

8. It is a fact that the workman concerned in this dispute had disobeyed the instructions of the head of the establishment. The letter dated 16th March, 1988 shows that the cash transaction could be started only at 11 A.M. on that day. In the version of the union, the delayed starting of cash transaction was on account of the physical verification of the cash balance by the workman after his rejoining duty. It is a fact that on account of the delayed starting of cash transactions, customers were put to serious hardship and inconvenience. When the Manager of the Bank instructed him for starting the cash transaction at the scheduled time itself, the workman denied that instruction which led to the delayed transaction of business. If he had any reservation in carrying out the instruction of his superior, he could have expressed it by giving a written submission explaining his stand while starting cash transaction as insisted by the Branch Manager. In this context, it is to be remembered that both Manager of the Bank Officer-in-charge and the Cashier are equally responsible in the matter of cash transaction in the bank. The workman need worry only about the amount he had taken out on that day for business transaction of the day. He need not have worried about the cash position in the cash chest. Whatever be the merit of the contention of the parties it is a fact that the workman disobeyed the orders of the Branch Manager in starting the cash transaction at the scheduled time. Discontinuation of work as a cashier can happen not only by his joining in strike but on his availing of leave on casual basis also. In all occasions if the workman resorts to this tactic, the hardship to the public can be well imagined. To set at right the matter, proper course available to the employer would have been to conduct an enquiry against the workman. In fact, the management had started something towards that by issuing a show cause notice also. Since withdrawal of special allowance is a punishment, it necessarily implies that the punishment could be inflicted only after conducting a proper enquiry. Here the management themselves says that in order to avoid a domestic enquiry, they resorted to the method of issuing a notice as contemplated under Sec. 9-A of the I.D. Act. I will discuss the merit of that contention later.

10. The contention of the union is that considering the seniority of the workman, he was posted as Cashier on 6th September, 1982. By virtue of his functioning as Cashier, he was being paid special allowance and at the time of his shifting from the cash department, the special allowance payable to him was at the rate of Rs. 164 per mensem. Since the drawing of special allowance was a personal allowance to him on account of the special nature of work done by him, the withdrawal of it by shifting him from the cash department is irregular. The management meets the contention of the union by saying that assignment of work to an employee is purely a managerial function and no employee can insist that he should be allowed to work in a particular section alone. If it is found that a particular employee is unsuitable to do the work of a particular section or department, it is purely a prerogative of the management to put him in the appropriate place. Therefore the management contends that they had acted only by considering the best interest of the bank. To substantiate their contention the management has relied on a Circular issued by the Head office of the management bank on 8th April, 1986. At the time of hearing of this dispute,

that circular was marked as Ext. M2. By that circular, it was decided to stop the practice of putting an employee in the cash department permanently. It is relevant to note some of the provisions contained in the circular referred above. I shall extract here the relevant portions.

To All Indian Branches, Regional Offices and Zonal Offices.

Staff : Clerical

Special Allowance

Cash Department.

#### PREAMBLE :

Attention of branches/offices is drawn to the instructions issued by us from time to time regarding entrustment of special allowance duties through various memos/letters/circulars. We have been entrusting the duties of Cashier and Assistant Cashier to one and the same person on regular basis. It has now been decided to rotate the duties of the Cashier and Assistant Cashier every six months subject to certain terms and conditions specified in this circular.

#### OPERATIONAL INSTRUCTIONS :

1.1 Hereafter Cashier (Category-A) duties Assistant Cashier duties or jewel safe key allowance duties should not be entrusted to any particular member on a regular basis under any circumstances. On the other hand, the branches should utilise the occasions enumerated in 2-1 infra to introduce rotation system with effect from 1st April, 1986.

1.2. The entrustment of such duties on rotation will be for a period of six months.

2.1. The rotation system should be brought into force by branches as and when a vacancy arising on or after 1-4-1986 is caused on account of transfer, promotion, entrustment of any special allowance duties (higher than Cashier or Assistant Cashier Allowance as the case may be) on a regular basis, resignation, suspension, dismissal, discharge retirement, termination, death etc., of the present regular incumbent or in the event of voluntary foregoing of special allowance presently drawn on regular basis by the member.

3.2. In respect of members transferred at Bank's instance their dates of joining the bank in clerical cadre, date of promotion of clerical cadre have to be reckoned for determining their seniority for the purpose of entrustment of special allowance duties.

11. A reading of the circular extracted above will show that the management is competent to change the work on rotation basis. In accordance with the above circular, the management can effect change in every six months with effect from 1-4-1986 Para 2.1. of the above circular shows that in the branches where already work assignments were made, changes can be brought into force after 1-4-1986 only in the vacancy caused on account of transfer, promotion, entrustment of any special allowance duty on regular basis etc. in the case on hand, there is no material to show that the shifting of the workman concerned was on account of arising of any of the situation mentioned in Para 2.1. of the circular. If we go through the document produced by the management it can be seen that shifting of the workman was on account of the unsatisfactory performance by him as a Cashier on a particular day. Such a situation is not at all one of the situations stipulated in Para 2.1. of the above circular. Therefore, according to me, merely on the strength of Ext. M2 circular dated 8-4-1986, the Manager of the branch cannot shift the workman from the cashier post and and to deprive him of the cashier allowance. Therefore any reliance on the circular will not help the management for justifying their action.

12. Possibly, knowing well about the complexities in the matter, management chose to issue notice under Sec. 9-A of the I.D. Act to effect change in the service conditions of the workman by way of deprivation of the benefit of cashier allowance at the rate of Rs. 164 per month. It

is clearly stated by the management in their statement that the Branch Manager was dissatisfied with the performance of the workman as a Cashier on a particular day viz., on 16-3-88. In fact, the Manager had issued a show cause notice also seeking explanation from the workman and explanation was also given by the workman. If the reply was unsatisfactory, the management was within their right to take disciplinary action against the workman. As already stated, withdrawal of special allowance is a punishment as per the third bipartite settlement. Therefore if the withdrawal of special allowance was imposed as a penalty or as a punishment, that could have been done only after resorting to the proper course of conducting an enquiry. Therefore I do not find any justification in the action of the management in dispensing with the conducting of an enquiry before the withdrawal of special allowance in the case of workman.

13. Now let us consider the legality of issuing a notice under Sec. 9-A of the I.D. Act for the withdrawal of special allowance in the case of individual workman. It is true that while proposing change in the conditions of service of a workman, a notice should be given to the concerned workman who is likely to be affected. In sub section (a) of Section 9-A it is stated that a notice in the prescribed manner showing the nature of the change proposed should be stated. In this context it is very interesting to note the contents of the notice given by the management under Sec. 9-A of the Industrial Dispute Act. That notice was issued by the Assistant General Manager of the Management Bank on 2-6-1988 stating that with effect from 23-6-1988, the condition of service applicable to the workman in relation to a matter specified in the 4th Schedule of the I.D. Act would be changed. In the Annexure to that notice the nature of change proposed is given and that reads :—

Sri. K. Vijayakumar, cashier roll attached to Pathanamthitta Branch has been paid allowance of Rs. 164.

The member had refused to conduct cash transaction at the start of business hours on 16-3-1988 at the branch. Due to non-cooperation of the member despite request from the Manager, Customer Service had been greatly affected. To avoid recurrence the member is removed from his position as a Cashier.

Hence this notice is given for the purpose of withdrawing the cash allowance of Rs. 164 with effect from 23-6-1988.

14. From the above Annexure to the notice, it can be seen that the nature of change effected was the withdrawal of cash allowance amounting to Rs. 164 per mensem. The reason for the change effected was on account of the unsatisfactory work of the workman on 16-3-1988. The management wanted to avoid the recurrence of it in future.

15. The annexure would show that prima facie it is a charge-sheet against the workman concerned. It is not at all a notice as contemplated under Sec. 9-A of the Industrial Dispute Act. The scope and applicability of Sec. 9-A had been explained by the Supreme Court in Indian Oil Corporation case (AIR 1975 SC 1856). Although in a different context, the Supreme Court observed :

"In the circumstance therefore Sec. 9-A of the Act was clearly applicable and non-compliance with the provisions of the Section would undoubtedly raise a serious dispute between the parties so as to give jurisdiction to the Tribunal to adjudicate. If the appellant wanted to withdraw the compensatory allowance it should have given notice to the workman, negotiated the matter with them and arrived at some settlement instead of withdrawing the compensatory allowance over night".

16. Basing on the observation of the Supreme Court, the union contends that before withdrawing over night special allowance the management could have negotiated the matter with the union. Here the management by unilateral action had withdrawn the special allowance even without a formal discussion with the union although a notice was

given to the union also. It is also contended by the union that for initiating disciplinary action, Sec. 9-A of the I.D. Act cannot be invoked.

17. Although the above decision was rendered in a different context, the principle laid down therein is applicable to certain extent in the case on hand also. The management cannot discard the process of negotiation as highlighted by the Supreme Court after serving a notice under Sec. 9-A to the union concerned. Evidently no negotiation had been held in this case. More over there are certain infirmities also there. First of all the withdrawal of the special allowance in the case of workman was after shifting him from the post of Cashier. Secondly the shifting of removal itself was in violation of the terms of Ext. M2 circular issued by the management on 8-4-86 relating to rotation of duties wherever special allowance is payable. Even assuming that the shifting of him from the cash department was by adhering the directive contained in the circular dated 8-4-86 it could be done only on the happening of any of the situations mentioned in the circular because he was holding that post even prior to 8-4-1986.

18. The real reason which compelled the management to withdraw the special allowance was the alleged misconduct on the part of workman. If that was the reason, without invoking Sec. 9-A the management could have resort to the withdrawal process by initiating disciplinary action. The Annexure to Section 9-A notice is indicative of a charge-sheet. Since the reason for change is stated in the form of charge-sheet, it is incumbent on the management to conduct an enquiry. If the workman is found guilty, the management is within their right to withdraw the special allowance. But the management says in their counter statement that in order to avoid a domestic enquiry, they had chosen the method of issuing notice under Sec. 9-A of the I.D. Act. I cannot sustain the reason advanced by the management.

19. In the result an award is passed holding that the withdrawal of special allowance effected in the case of workman is irregular and violative of the existing settlement as also Ext. M2 circular issued by the management themselves. The workman is entitled to continue as Cashier till he is visited with the punishment resulting his shifting from the cash department. Till that time he will be deemed as holding cashier post and thereby entitled for special allowance of cashier. If the management is so advised, for the irregularity committed by the workman on 16th March, 1988, they can initiate disciplinary proceedings against him. If they do not want to initiate disciplinary proceedings and they want only shifting of the workman from the cashier post, on occurrence of any of the contingencies contemplated in the circular dated 8th April, 1986, the workman can be shifted

from the cashier post. An award is passed on the above terms.

## AWARD

1. The Central Government, Ministry of Labour, vide its notification No. L-12012/838/87-D. II(A) dated nil, has referred the following dispute for adjudication to this Tribunal :

Whether the action of the management of Bank of India in relation to their Bulandshahr Branch in discharging Shri Nand Ram s/o Shri Hardeo Singh Cashier Incharge w.e.f. 13-5-86 is justified? If not to what relief the workman is entitled?

2. The admitted facts are that Shri Nand Ram was posted as Cashier Incharge Branch Office, Bulandshahr of the Bank of India on 29-8-85, was suspended on 10-9-85 in respect of an incident of short payment dt. 29-8-85. He was served with chargesheet dt. 9-12-85 by the Regional Manager, Ghaziabad. Disciplinary Authority, who by means of the order of the same date appointed Shri A. K. Agrawal Industrial Relation Officer as Enquiry Officer. The charge reads as under :

"that on 29th August, 1985, you are alleged to have made short payment of Rs. 1000/- and Rs. 2000/- totaling to Rs. 3000/- while making payments of cheques nos. 61280 for Rs. 18467, no. 61281 for Rs. 22352/- and no. 61282 for Rs. 1720 totaling to Rs. 42539/- and cheque no. 61286 for Rs. 74489/- all dt. 29th August, 1985 favouring self and drawn by current account holder Jai Durga Dairy to bearer of Shri Budha Khan and Shri Shanker Lal respectively....."

Your aforesaid act of making short payment of Rs. 3000/- and retaining the said money with you amounts to an act of committing fraud of Rs. 3000/- which is an act of gross misconduct under clause 19.5(j) of the First Bipartite Settlement of 1966 which reads as under —

"Doing any act prejudicial to the interest of the Bank".

3. The E.O. submitted his report dt. 12-4-86 to the Disciplinary authority. He held the charge as proved, and the disciplinary authority while agreeing with the finding of the E.O. issued a notice dt. 13-5-86 to the workman to show cause why the punishment of dismissal from service be not awarded to him. After the show cause notice the Disciplinary authority converted the proposed punishment into one of discharge under clause 19.6(e) of the 1st Bipartite Settlement. The appeal filed by the workman was dismissed by the appellate authority vide his order dt. 28-7-86. The workman in his claim statement alleges that the inquiry was not conducted fairly and properly in accordance with the principles of Natural Justice. He was not given an opportunity to defend himself. His prayer to engage a lawyer to defend himself was rejected. He was not given proper opportunity to cross examine the bank's witnesses. The appeal also dismissed by means of an illegal order. In fact he was entangled in a case by means of a conspiracy. Under duress two statements were obtained from him to the effect that he accepted his guilt. He has therefore prayed that he be reinstated with continuity of service with full back wages.

4. The management plead that the inquiry was conducted fairly and properly in accordance with the principles of natural justice. According to the management the statement made by the workman on 31-8-85 and 2-9-85 were given by him of his own free will. The workman thoroughly cross examined the bank's witnesses. He never made any request before the E.O. to be represented by a lawyer. He was allowed representation through an Union Representative as per provisions of the Bipartite settlement. However, before the E.O. he stated that he would conduct his own defence. Even before the disciplinary authority the workman admit

his guilty. The order of punishment is fully justified. In the end of management plead that in case the tribunal holds that the inquiry was vitiated they may be given an opportunity to prove the charges on merits against the workman.

5. In his rejoinder the workman alleged that before the E.O., the bank produced the earlier statement on the bank witnesses recorded in his absence during the preliminary inquiry. On 19-6-89, the following preliminary issue was framed in the case —

Whether the domestic inquiry was conducted fairly and properly.

In support of his case, the workman has filed his own affidavit and has relied on a number of documents. On the other hand the management have filed the affidavit of Shri A.K. Agrawal, the E.O. and have relied on a few documents.

6. The only point that has argued by Shri Mathur (the authorised representative for the workman on the preliminary issue is that at the inquiry in their examination in chief the bank's witness simply reiterated and confirmed the statement orally made by them before the officer who conducted the preliminary inquiry in the absence of workman. According to him these statements were simply put to them and they were confirmed by the witness. The witnesses should have stated the facts before the E.O. in the presence of the workman *denovo*. There appears to be truth in the submissions of Shri Mathur that earlier statement recorded in the absence of the workman by the officer who conducted preliminary were put to bank's witnesses to simply confirm those statements. Sh. V. R. Krishnan the authorised representative for the management contended that there is no force in the contention of Shri Mathur. There is no violation of principles of natural justice. Strict rules of Evidence as laid down in the Evidence Act do not apply to domestic inquiries. In this connection he has relied on the ruling in the case of State of Mysore and others Vs. Shivabasappa Shivappa Makapur, AIR 1963 SC 375. It was held by Their Lordships as follows—

When the evidence is oral normally the examination of the witness will in its entirety take place before the party charged, who will have full opportunity of cross examining him. The position is the same when a witness is called, the statement given previously by him behind the back of the party is put to him and admitted in evidence a copy thereof is given to the party and he is given an opportunity to cross examine him. To require in that case that the contents of the previous statement should be repeated by the witness word by word & sentence by sentence is to insist on bare technicalities and rules of natural justice are matters not of form but of substance. In our opinion they are sufficiently complied with when previous statements given by witnesses are read over to them marked on their admission copies thereof given to person charged and he is given an opportunity to cross examine them.

No ruling to the contrary has been cited by Shri Mathur. Therefore, I agree with the authorised representative for the management that by doing so the principles of natural justice did not stand violated.

7. The documents filed by the management witness with his affidavit contain also the statement of the bank witnesses recorded during the inquiry. It is evident that the workman had full opportunity to cross examine the bank's witnesses. Therefore, no prejudice was caused at all to the workman in the conduct of the inquiry by the E. O. I may state here that no other point has been pressed by Shri Mathur in connection with the preliminary issue. While arguing case on preliminary issue Shri Mathur has also made his submission on the quantum of punishment awarded to the workman. He submits that the workman completely leaves himself to the mercy of the Tribunal. He has been in the employment of the bank since 1977. In these hard days it is very difficult to get employment. If he is thrown on the road his family would be ruined. He has therefore, prayed that the punishment awarded to the workman be modified. He should be reinstated in service. He submitted that the court may order that the workman will not get back wages. The court may further with held his as many increments as the Tribunal considers just and proper.

8. Shri V. R. Krishnan, the managements representative submits that the punishment awarded to the workman is quite and just and it does not call for any interference. Now it is for the tribunal to see whether or not to modify the punishment. One thing is clear that all this would not have happened had the person who had collected payment were a little careful and counted the currency notes before leaving the counter. By saying so I do not mean to say that the workman is not at fault. It appears that greed to grasp the money left out by them came in his head and it has resulted in bringing him to the present stage. The amount involved in the case is not much. It will be sufficient punishment to him if while reinstating him he is denied back wages and some of his increments are withheld permanently. What he had done will always carry a stigma on his character which was unblemished. He has already under gone a lot of mental suffering. Therefore, considering aspects I hold the punishment as highly excessive. The denial of back wages and with holding of three annual increments permanently will meet the end of justice.

9. Hence, while holding the charge as proved I modify the order of punishment awarded to the workman by the management. The order of discharge from service will stand substituted by the following order of punishment :—

1. The workman shall be reinstated in service with continuity of service.
2. His 3 increments are withheld permanently.
3. He shall not be entitled to back wages and,
4. He shall not be allowed to work as Cashier for such period as the management deems fit.
10. The reference is answered accordingly.

## AWARD

By Order No. L-19012(65)/83-D.IV(B) dated 8th June, 1984, the Government of India, Ministry of Labour & Rehabilitation (Department of Labour) referred the following dispute to this Tribunal for adjudication :

"Whether the action of the management of Ramnagore Colliery B.O. Kulti (Burdwan) in not regularising Smt. Maya Kaur as Dispensary Aya in the Technical & Supervisory Grade 'C' with effect from the day actually she is performing the work in the higher category is justified ? If not, to what relief the concerned workman is entitled and from what date?"

2. When the case is called out today, none appears from either side. It appears from the record that the union has not been appearing inspite of service of the notice upon them for more than one occasion. It appears that the union is absent from 9-12-1988, although several dates have been fixed thereafter and although registered notices were issued upon the union. In the circumstances, it appears that the union is not interested to proceed with the present reference. Such being the position, there is no other alternative but to pass a "No Dispute Award" and accordingly a "No Dispute Award" is passed.

This is my Award.

## AWARD

The Government of India in the Ministry of Labour in exercise of the powers conferred on them by Clause (d) of

sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947 has referred the following dispute to this Tribunal for adjudication vide Ministry's Order No. L-22012(225)/89-IR(C.II) dated the 14th February, 1990.

## SCHEDULE

"Whether the action of the Management of Haripur Colliery of M/s. Eastern Coalfields Ltd., in dismissing Sri Bejoy Majhi No. 2, Dumper Khalasi on and from 2-4-84, is justified ? If not, to what relief is the concerned workman is entitled ?"

2. To-day (11-5-90) Sri Manoj Mukherjee the learned Advocate for the workman has submitted that he has no instruction to proceed with the case. He has prayed for passing appropriate order.

3. As the learned Advocate for the union has no instruction from his clients to proceed with the case, it must be presumed that no dispute exists between the parties. As such I have no other alternative but to pass a 'no dispute' award in this case. Hence a 'No dispute' award is passed.

If not, to what relief is the workman concerned entitled?"

2. These three reference cases have been heard analogously because the concerned workmen are arranged on identical charges for misconduct and also because the evidence in all the three cases and the law points involved therein are common.

3. Reference No. 58 of 1982.—The case of the management of West Mudidih colliery as disclosed in its written statement, is as follows :

On 31-1-1980 at about 12 noon the concerned workman, Ganpat Das, Loader, alongwith six others assaulted S/Shri M. Jha, Manager of West Mudidih Colliery and R. K. Rai, Personnel Officer (Estate) Katras Area in West Mudidih Colliery office premises. As a consequence the concerned workman alongwith others was chargesheeted on 1-2-1980 and suspended from service and indential chargesheet was issued

to all the seven workmen for misconduct of (i) assaulting the superior, (ii) causing wilful damage to company's property and (iii) riotous and disorderly behaviour. The chargesheet was duly served upon and received by the concerned workmen. In reply to the chargesheet, the concerned workman denied the charges pleading alibi. His reply was not found satisfactory and the management held a joint common enquiry in conformance to the principles of natural justice. The concerned workman fully participated in the enquiry; the evidence of the witnesses for the management was recorded in his presence and he was given full opportunity to cross examine those witnesses. He examined himself in support of his defence, produced defence witnesses and documents in support of his defence. The Enquiry Officer, after holding the enquiry in conformance to the principles of natural justice, submitted a detailed report giving reasons for his findings and found the concerned workman and the six others guilty of the charges. The report of the Enquiry Officer was considered at different levels and since the charges proved against him were grave and serious and there was no extenuating circumstances, the Agent of the Colliery, after taking due approval of the competent authority, dismissed the concerned workman from service by letter dated 28-5-1981. In the circumstances, the management has prayed that its action in dismissing the concerned workman from service with effect from 28-5-1981 for the incident that occurred on 31-1-1980 be held to be justified.

4. The case of the concerned workman, as appearing from the written statement submitted on his behalf by the sponsoring union, Rashtriya Colliery Mazdoor Sangh, details apart, is as follows :

The concerned workman, Ganpat Das, was a permanent employee of West Mudidih Colliery and that he worked there in the capacity of a Loader in the underground mine. The Manager of West Mudidih colliery issued a chargesheet dated 1-2-1980 under his signature with vague allegations. The Manager of the colliery himself was a party to the issue mentioned in the chargesheet and the very basis of the chargesheet was motivated. The management did not hold any impartial and proper departmental enquiry into the allegations. The Officers of the colliery became party to the issue and chargesheet and as such all of them were incompetent to examine themselves on behalf of the management. The management, it is apprehended, prepared certain documents to suit their purpose in collaboration with their Officers. From the very beginning the management acted in a manner detrimental to be interest of the concerned workman by adopting an illegal method. The management of the colliery, being predetermined and motivated, dismissed the concerned workman from service by letter dated 28-5-1981. The said letter of dismissal dated 28-5-1981 purported to have been issued by the Agent of the Colliery without describing his power for issue of such letter of dismissal. In the circumstances, the sponsoring union has prayed that the action of the management in dismissing him from service be held to be unjustified and he should be reinstated in service with full back wages.

5. In rejoinder to the written statement of the sponsoring union, the management has reiterated the facts that the chargesheet was issued by a competent person and that the departmental proceeding was held in conformance to the principles of natural justice and that the concerned workman participated in the departmental proceeding and that he was dismissed from service after the approval of the competent authority as contemplated under Para 18(2) of the certified Standing Orders. The management has emphatically stated that the Agent of the colliery was within his right to dismiss any workman found guilty of misconduct.

6. In rejoinder to the written statement of the management, the sponsoring union has stated that Shri N. K. Sharma said to be the Agent of West Mudidih Colliery had no authority or power delegated to him by the owner to sign the written statement. The union has denied each and every fact asserted by the management in support of its action of dismissal of the concerned workmen from service.

Reference No. 60 of 1982.

7. The case of the management of West Mudidih Colliery, as disclosed in its written statement, details apart, is as follows :

On 31-1-1980 at about 12 noon the concerned workmen, S/Shri Prabhu Bhar and Babulal Kole, alongwith five others assaulted S/Shri M. Jha, Manager, West Mudidih Colliery and R. K. Rai, Personnel Officer (estate) Katras Area in the West Mudidih colliery office premises. The concerned workmen alongwith five others were arranged on charges of misconduct for (i) assaulting their superiors, (ii) causing wilful damage to company's property (iii) riotous and disorderly behaviour and were suspended from service. The concerned workmen, in reply to the chargesheets had stated that since for the self-same occurrence an F.I.R. had been lodged by the management and the criminal case was pending in a competent Court of law, any statement made relating to the same occurrence was likely to influence the decision of the criminal Court. In the circumstances, they did not think it proper and advisable to disclose their defence and requested the management to keep the matter pending till final disposal of the criminal case. They did not plead their innocence in their reply nor did they deny the charges. Anyway, the management proceeded to hold departmental enquiry in accordance with the principles of natural justice. The concerned workmen duly participated in the enquiry. The witnesses for the management were examined in their presence and they were given full opportunity to cross-examine the witnesses for the management. They examined themselves and produced witnesses and documents in support of their defence. The Enquiry Officer after holding the departmental enquiry submitted his report and found both of them guilty of the charges. Since the charges were very grave and serious and there was no extenuating circumstances, they were dismissed from service by the Agent of the colliery by letter dated 28-5-1981 with the approval of the competent authority. In the circumstances, the management has prayed that its action in dismissing the concerned workmen from service for grave misconduct with effect from 28-5-1981 be held to be justified.

8. The case of the concerned workmen, as disclosed in the written statement submitted by the sponsoring union, Kashiraya Colliery Mazdoor Sangh on their behalf, briefly stated, is as follows :

The concerned workmen, Prabhu Bhar and Babulal Kole, were permanent employees of West Mudidih Colliery. They were served with two separate charge sheets both dated 1-2-80 issued under the signature of the Manager of West Mudidih Colliery. The Manager of the colliery misused his power in issuing the charge sheet because he himself was an interested party. The Manager of the colliery and his associates were interested parties who hatched a plan against the concerned workmen to dismiss them from service. The management should have considered this reply submitted by the concerned workmen and should have furnished the in writing as to why their replies were not found satisfactory. The management had also prepared certain documents to show that departmental enquiry was conducted. The letter of dismissal was signed by an officer who was not delegated by such power by the owner of the colliery. The entire episode was an organised action of the interested officers of the colliery for covering up their misdeed and unfair labour practice. It has been asserted that from the stage of issuing the so-called charge sheet to the issue of illegal letter of dismissal, the officers of the colliery acted without jurisdiction and with a malafide intention. In the circumstances, the union has prayed that the action of the management in dismissing the concerned workmen be held to be unjustified and they be reinstated in service with full back wages.

9. In rejoinder to the written statement of the sponsoring union, the management has reiterated its position as disclosed in the rejoinder to the written statement of the sponsoring union in Reference No. 58 of 1982.

10. I rejoinder to the written statement of the management, the sponsoring union has reiterated the facts as disclosed in its rejoinder in Ref. No. 58 of 82.

11. Reference No. 14 of 1984 :

The case of the management of West Mudidih Colliery as disclosed in its written statement, details apart, is as

follows.

On 31-1-80 at about 12 noon the concerned workman, Sharam Beldar, General Mazdoor, alongwith six other workmen assaulted, both S/Shri M. Jha, Manager of West Mudidih Colliery and R. K. Rai, Personnel Officer (Estate) Katras Area in West Mudidih colliery office premises. He alongwith others was charge sheeted for misconduct of (i) assaulting his superior, (ii) causing wilful damage of company's property and (iii) riotous and disorderly behaviour. He was also suspended from service. The charge sheet was duly received by the concerned workman and in reply to the charge sheet he has stated that since he was implicated in a criminal case for the self-same occurrence which was subjudice, his statement, disclosing his defence, would prejudice his defence in the Court of and requested the management to keep the matter in abeyance till the disposal of the criminal case. He did not plead his innocence nor he deny the charges in reply. Since the reply of the concerned workman was not found satisfactory the management held departmental enquiry. The concerned workman refused to receive the notice relating to the departmental enquiry. The notice relating to departmental enquiry was also sent to him by registered post, but that was returned undelivered. The notice was pasted on the Notice Board of the colliery. He did not appear in the departmental enquiry and prayed for adjournment which was rejected by the Enquiry Officer. He did not ultimately participate in the enquiry which was held ex-parte. The Enquiry Officer submitted his report and found the concerned workman guilty of the charges levelled against him. The report of the Enquiry Officer was considered at different levels and since the charges proved against him were very grave and serious and there was no extenuating circumstances, he was dismissed from service by the Agent of the Colliery by letter dated 28-5-1981 after approval of the competent authority. Pendency of the criminal case does not bar the management has prayed that its action in dismissing the under the Standing Orders of the colliery and the criminal court had nothing to do with the misconduct proved against him in the departmental enquiry. In the circumstances, the management has prayed that its action in dismissing the concerned workman from service be held to be justified.

12. The case of the concerned workman, as appearing from the written statement submitted on his behalf by the sponsoring union, Koyla Ispat Mazdoor Panchayat briefly stated, is as follows :

The concerned, a General Mazdoor of West Mudidih Colliery had an unblemished record of service. He was issued with a charge sheet dated 1-2-80 in which he was arraigned on charges of misconduct of assaulting officers, causing wilful damage to the company's property and indulging in riotous behaviour. Simultaneously the management lodged complaint with the police and on the basis of the statement of Shri M. Jha, the then Supdt. of West Mudidih Colliery the police registered a case under section 307 read with section 148, 149 and 452 of I.P.C. and started investigation. The concerned workman by his letter dated 12-2-80 stated that since he was implicated in a serious criminal case for the same offence, he should not be forced to disclose his defence. The management by its letter dated 12-2-80 took the position that there was no relation between the allegations in the charge sheet and the complaint lodged with the police. The attention of the management was drawn to the fact that since the occurrence and charges were the same, two enquiries could not be held at the same time. The concerned workman requested the Enquiry Officer to postpone the enquiry as the charges were being investigated by the police and that a case was filed in the court of law on the self-same charges arising out of occurrence happened on the self-same day. But the Enquiry Officer ignored his request and so he did not participate in the enquiry. In the departmental enquiry the copy of the complaint of Shri M. Jha, Superintendent of the colliery was not produced. The letter written by Shri Jha to the General Manager of the colliery on 1-2-80 was also not produced before the Enquiry Officer. All the witnesses examined by the Enquiry Officer were produced as witnesses before the Asstt. Session Judge. But the Asstt. Sessions Judge found the concerned workman not guilty to any of the charges and acquitted him of all the charges levelled

against him. No other opportunity was given to him in the departmental proceeding after the judgement of the Asstt. Sessions Judge.

13. In rejoinder to the written statement of the sponsoring union, the management has stated that pendency of the court proceeding does not debar it from taking disciplinary action and the power to take such disciplinary action is vested in the disciplinary authority. The institution and continuation of disciplinary proceeding in good faith is of calculated to obstruct or interfere with the course of justice in the pending court proceeding. There is no legal bar to hold departmental proceeding even after institution of criminal case or after an order of acquittal passed in the criminal case. The concerned workman refused to take part in departmental enquiry was held ex-parte.

14. In rejoinder to the written statement of the management, the sponsoring union has stated that the concerned workman was not found guilty of any charges by the Asstt. Sessions Judge, Dhanbad. It has been further stated that all the papers relating to this case were not produced before the Enquiry Officer and that the rule that the complainant had to be examined first was not followed though he was present at the time of departmental proceeding. It has been reiterated that the concerned workman was not guilty of any of the charges levelled against him and that the enquiry proceeding is vitiated, vague, malafide and was not held in conformance to the principles of natural justice.

15. The entire records relating to the domestic enquiry proceedings have been produced by the management and the same have been marked Exts. M-1 to M-4 while the preliminary issue was considered. Certified copy of the judgement of the Asstt. Sessions Judge, 2nd Court, Dhanbad, was produced on behalf of one of the concerned workman. Sitaram Beldar and marked Ext. W-1.

16. It appears that all the four concerned workmen, S/Shri Ganpat Das, Prabhu Bhar, Babulal Kole and Sitaram Beldar were dismissed from service after being found guilty in the departmental enquiry of misconduct for (i) assaulting superiors, (ii) causing wilful damage to the company's property and (iii) riotous and disorderly behaviour.

At the instance of the management the propriety and fairness of the departmental enquiry was considered as preliminary issue. It was held, while disposing of the preliminary issue that the departmental enquiry was held fairly and properly. Thereafter the matter of dispute was heard on merit.

17. Shri C. Prasad, learned Advocate, appearing for the management, has submitted before me that the evidence on record in departmental enquiry conclusively proves the misconduct of the concerned workmen and hence the management was justified in dismissing all of them from service. He has further submitted that the management was within its right to proceed with the departmental enquiry even though a criminal case on the self-same occurrence was pending against the concerned workmen. He has contended that although Sitaram Beldar has been acquitted in the criminal case, the finding of the Enquiry Officer relating to his misconduct is sustainable inasmuch as the evidence in a criminal case must be conclusive while in a domestic enquiry the same degree of conclusiveness is neither required nor necessary.

Shri B. Lal, learned Advocate for the concerned workmen, Sitaram Beldar has admitted that the Enquiry Officer has failed to consider the import of the several complaints and the F.I.R. made by the complainants in their proper perspective and so the report of the Enquiry Officer is perverse which should not have been made the basis for dismissal of the concerned workman from service.

Shri S. Bose, authorised representative of the sponsoring union, Rashtriya Colliery Mazdoor Sangh, has alleged that the officers of West Mudidih Colliery hatched a plan to involve the concerned workmen in a false case and thereby to dismiss them from service. He has further contended that to Shri M. Jha, Manager of the West Mudidih Colliery should not have issued chargesheet against the concerned workmen as he himself was personally involved in the case. He has submitted further that Shri M. Jha had acted in a very unfair

and improper ways by submitting petition of complaint issuing chargesheet and finally dismissing the concerned workmen from service. He has contended that the Enquiry Officer has failed to appraise the evidence on record in its proper perspective and to give reasons for the conclusion by discussing the evidence. According to him, an enquiry report in a quasi-justice enquiry must show the reason for the conclusion and that it has to be speaking order in the sense that conclusion is supported by reasons. In order to buttress this point he has referred the decision of Hon'ble Supreme Court reported in Supreme Court Labour Judgement 1984-87—page 417 (Anil Kumar Mohan VS. Labour Court and others).

18. The evidence on record discloses that the workman of West Mudidih colliery of M/s. B.C.C.Ltd. were restive and apprehensive ever billing of arrear pay as prepared by the management. Shri M. Jha, Manager of the West Mudidih Colliery reported to the General Manager, Katras Area about the occurrence on 31-1-80 and this report was marked as Ext. M-1 in domestic enquiry. In his report Shri Jha had stated that at about 12 noon on 31-1-80 when Shri M. P. Verma, P.M., Shri R. K. Rai and he himself came out of the office and reached near 5 Seam bonler, they saw a mob of about 100 workers shouting slogans and that immediately they saw through the window of Superintendent's Office where they had returned that the mob was led by Gobardhan Mahto, Ruplal Kumhar, Mahabir Mahto, Prabhu Bhar and Babulal Kole and that the mob was armed with picks, iron sprags, Bamboos and brickbats. Shri Jha has also reported that he and Sri Rai rushed to A.C.M's room, but before they could enter the room the crowd led by Gobardhan Mahto and 4 others, shouting 'Pakaro and Maro' attacked them with picks, iron sprag and brick bats and consequently he sustained injury in his back and left hand and that Shri Rai was seriously injured. He has further reported that Gobardhan Mahto and Babulal Kole were carrying picks and Mahabir Mahto iron sprag and Ruplal Kumar and Prabhu Bhar brick bats etc. He has also reported that somehow they could enter into the A.C.M's room and tried to keep the same closed. The mob subsequently forced opened the door when on the intervention of people he was saved. Thus, his report dated 31-1-80 does not disclose that Sanpat Das and Sitaram were amongst the mob and he and Sri Rai were assaulted by them. But by a subsequent report dated 1-2-80 marked Ext. M-1/1 in domestic enquiry he included the names of Sitaram Beldar and Ganpat Das and stated that they were also involved in committing assault and that they instigated the workers and chased and attacked them on 31-1-80. Shri Jha has deposed in domestic enquiry at length. But he has not explained as to why and how he failed to include the names of Ganpat Das and Sitaram Beldar in his first report to the General Manager on 31-1-80.

19. It appears that Shri M. Jha, Manager of West Mudidih colliery reported the occurrence in writing to the Officer-in-charge of Katras P. S. on the date of occurrence i.e. 31-1-80. His complaint was marked Ext. M-26 in the domestic enquiry. He reported that on 31-1-80 at about 11-45 hours while they came out of the office and were proceeding towards the incline and reached at 5 Seam Boiler, he saw a crowd of 100 persons coming from Workshop side shouting slogan and they returned to the office. He further reported that when they got into Superintendent's chamber, they saw through the window that the crowd was led by Gobardhan Mahto, Loader, Ruplal Kumhar, Loader (working as Shot Fiter Helper), Mahabir Mahto, Prabhu Bhar, and Babulal Kole, all Loaders and that the mob was armed with picks (Caitha), iron sprag (Khit), iron rode, bamboo and lathi etc. He further reported that when they were leaving the Supdt.'s chamber they heard the shouting "Maro, Nikalo, P.O. our Manager Ko, our maro sala logoko" and that that he and R. K. Rai ran to seek shelter but office clerk had bolted their room and so they ran to the office of the A.C.M., but before they could enter the office, the crowd led by Gobardhan Mahto and Mahabir Mahto shouted Pakro our Maro and that they attacked them with lathi, brick bats etc. and others followed them, as a result of which R. K. Rai, P.O. received injury and he also sustained injury on back (right side) and left hand. He further reported that he could recognise Mahabir Mahto carrying iron sprag, Babulal and Gobadhan picks, Ruplal Kumhar and Prabhu Bhar brick bats etc. He reported further that when the door was forceably opened by the crowd he saw S/Sri M. P. Verma, P.M., Katras Area, Nishar Khan, Electrician, R. K. Singh,

Office Clerk and Niranjan Singh, Welder all of West Mudidihi colliery were pacifying the mob. Thus, it is seen that in his first complaint information to the police he did not disclose that Ganpat Das and Sitaram Beldar, the two concerned workmen were present amongst the crowd and assaulted them. But by a subsequent complaint dated 1-2-80 marked Ext. M-26/1 in the domestic enquiry he included the name of Ganpat Das and Sitaram Beldar as having chased and attacked and assaulted him brutally with an intention to murder him. Shri Jha has failed to offer any explanation in the domestic enquiry as to why he did not disclose the name of Ganpat Das and Sitaram Beldar in his first information to the police. It is doubtful if he at all submitted his second complaint/information to the police (Ext. M-26/1, for in the judgement of learned Asstt. Sessions Judge there is no reference of the second complaint/information (Ext. W-1). On the other hand, it appears from the judgement that the learned Judge was critical to point out that the name of Sitaram Beldar was not included in the F.I.R. i.e. first complaint/information to the police. Ganpat Das was not arraigned on any charge before the learned Asstt. Sessions Judge. Even if it is presumed that the police submitted chargesheet against him, the Court discharged him from the case obviously for inadequacy of evidence. Thus, it is seen, there is a serious lacuna in the first information report to the police in that it did not disclose the names of Ganpat Das and Sitaram Beldar as miscreants along with others. In the circumstances, I think it was the bounden duty of the management to explain this lacuna. But that has not been done with the result that it must be considered to be a serious pit-fall for the case of the management.

20. Then again, the charge sheet issued to the four concerned workmen exposes the vulnerability of the case of the management in so far as Ganpat Das and Sitaram Beldar is concerned. In the charge-sheet dated 1-2-80 issued to Prabhu Bhar and Babulal Kole (Exts. M-1 and M-1/1) the names of Ganpat Das and Sitaram Beldar did not find place. But on the same date charge-sheets were issued to Ganpat Das and Sitaram Beldar (Exts. M-1/2 and M-1/3) alleging that they were amongst the crowd and that they assaulted S/Shri R. K. Rai and M. Jha. The management has failed to explain us to why the charge-sheets issued to Prabhu Bhar and Babulal Kole did not disclose the names of Ganpat Das and Sitaram Beldar. There is nothing on record to indicate that any corrigendum to the charge-sheet was issued to Prabhu Bhar and Babulal Kole. In my view, non-inclusion of the names of Ganpat Das and Sitaram Beldar in the charge-sheet issued to Prabhu Bhar and Babulal Kole and that too without any explanation as to why such non-inclusion was done is considered to be a stumbling block to the case of the management against Ganpat Das and Sitaram Beldar.

21. In reply to the charge-sheet Prabhu Bhar, Babulal Kole and Sitaram Beldar took the position that since a criminal case relating to the same occurrence on the basis of F.I.R. lodged by the management of the colliery was pending before a competent Court of law the statement to be made by them relating to the alleged occurrence was likely to influence the decision of the trial court and they requested that the domestic enquiry be kept pending till the disposal of the matter by the competent court. (Ext. M-2, M-2/1 and M-2/3). In other words, all these three concerned workmen took a technical defence without disclosing their substantive contention. But Ganpat Das took the defence of alibi by stating that he came to the office along with Mahadeo Singh and left the office in the company of Mahadeo Singh and stayed with him for long (Ext. M-2/2). At the time of domestic enquiry Ganpat Das examined as many as five independent witnesses including Mahadeo Singh who lent firm support to the case of Ganpat Das that he was never in the picture when the alleged occurrence took place. There is nothing in the report of the Enquiry Officer to indicate as to whether he disbelieved the evidence of the witnesses, for less the reasons for doing so.

22. In the domestic enquiry, the management examined twelve witness to prove its case against the concerned workmen. MW-1 M. P. Ambasta was the Asstt. Manager of West Mudidihi Colliery and presenting officer for the management before the Enquiry Office. His evidence is of formal nature. MW-2 H. K. Singh, Office Clerk of West Mudidihi Colliery, has stated that Prabhu Bhar and others were involved in assaulting S/Shri M. Jha, Manager and R. K. Rai,

Sr. Personnel Officer (E). But he could not identify Ganpat Das as one of the assailants of these persons. MW-3 Nihari Khan, Electrician of West Mudidihi colliery could not identify Sitaram Beldar and Ganpat Das as assailants of the Manager and Sr. Personnel Officer. MW-4 Fakirchand Ram, Office Peon of the colliery is a formal witness. MW-5 Niranjan Singh, Welder, of the colliery implicated all the four concerned workmen. MW-6 T. U. Subhani, Cashier of the colliery could not identify Ganpat Das. MW-7 Ram Sohan Singh identified all the concerned workmen. MW-8 Dr. M. D. Quamruzzaman, Medical Officer of West Mudidihi Colliery testified about the inquiry of the Manager and Sr. Personnel Officer. MW-9 R. K. Rai, Sr. Personnel Officer, identified all the four concerned workmen and stated that all of them assaulted him. MW-10 M. P. Verma, Personnel Manager, Katras Area, did not state anything about the assault. MW-11 Banke Singh, Office Peon, is a formal witness. MW-12 M. Jha, Manager of West Mudidihi Colliery, identified all the concerned workmen and stated that all of them assaulted him and Shri Rai MW-2, MW-5, MW-6, MW-7, MW-9 and MW-12 claimed that Sitaram Beldar had a lathi in his hand, while MW-5, MW-7, MW-9 and MW-12 claimed that Ganpat Das was armed with a lathi.

23. It is the case of the management that both S/Shri M. Jha and R. K. Rai went to Katras State Dispensary for treatment. The inquiry report of M. Jha indicate that the sustained incised wound on the chest and left fore arm below elbow and according to the Doctor both the injuries, simple in nature, were caused by sharp weapon. This being the medical report, Shri Jha could not have been received his injury at the hand of Ganpat Das and Sitaram Beldar because, as per the evidence of the management they were armed with lathi. Needless to mention here that a lathi is not a sharp cutting weapon. The injury report of Shri R. K. Rai indicates that he received two incised wounds on left fore-head above wrist joint and on the right leg and also diffuse swelling on right elbow. According to the Doctor, incised wounds, simple in nature, were caused by sharp cutting weapon, while diffuse swelling, simple in nature, was caused by hard and blunt substance. Lathi, indeed, is hard and blunt substance and so Sri Rai could have come by his injury by the blow of lathi. But he himself had stated in his evidence before the Enquiry Officer that the crowd was heavy and in the circumstance it was difficult for them to save their lives and therefore it was equally difficult for him to say that from whose weapon who was assaulted. In other words, he has failed to pin point his assailant. Thus, regard being had to the nature of injury sustained by Shri M. Jha and Shri R. K. Rai and the evidence of Shri Rai which fails to pin point his assailant, I have no hesitation to hold that Ganpat Das and Sitaram Beldar were not the assailants of these two persons. This conclusion of mine is also buttressed by the fact that Shri M. Jha failed to include the name of Sitaram and Ganpat Das in his first report to the General Manager of the Area, first information to the police and also in the charge sheet issued to Prabhu Bhar and Babulal Kole.

Sitaram Beldar has been acquitted in the criminal case as there was no evidence against him (Ext. W-1). Ganpat Das did not face the criminal trial at all. But the other two concerned workmen were found guilty of having assaulted Shri M. Jha and Shri R. K. Rai.

Considering all facts and circumstances, I have no hesitation to hold that the management could not prove its case of misconduct against Ganpat Das and Sitaram Beldar, but it had proved its case of misconduct against the two other concerned workmen Prabhu Bhar and Babulal Kole.

24. The report of the Enquiry Officer has come under scan of Shri S. Bose. Shri Bose has criticised the report of the Enquiry Officer by submitting that it does not disclose the reason for holding the concerned workmen guilty of misconduct. The position is really so. The Enquiry Officer has failed to establish by discussing the evidence on record that the concerned workmen were guilty of misconduct alleged against them. The legal position is that an enquiry report in a quasi-judicial enquiry must show the reason for the conclusion. It cannot be an ipse dixit of the Enquiry Officer. It has to be a speaking order in the sense that the conclusion is supported by reasons. (1984-87 S.C.L.J. 417—Anil Kumar Mohan VS. Labour Court and others). This

being so, the report of the Enquiry Officer suffers from severe infirmity. Even so, independently of the report of the Enquiry Officer, the evidence on record in the domestic enquiry establishes the fact of misconduct committed by Prabhu Bhar and Babulal Kole. But the evidence does not establish the fact of misconduct allegedly committed by Ganpat Das and Sitaram Beldar for reasons already stated before.

25. It follows, therefore, that the action of the management in dismissing Prabhu Bhar and Babulal Kole from service is justified, while its action in doing so in so far as Ganpat Das and Sitaram Beldar are concerned is not justified.

26. Accordingly, the following award is rendered—Reference No. 58 of 1982—the action of the management of West Mudidih Colliery of M/S. B.C.C. Ltd. in Area No. IV, P.O. Katrasgarh, Distt. Dhanbad, in dismissing from service Ganpat Das, Loader, by order dated 28-5-1981 for the incident that occurred on 31-1-1980 is not justified.

Reference No. 60 of 1982—the action of the management of West Mudidih Colliery of M/S. B.C.C. Ltd. in Area No. IV, P.O. Katrasgarh, Distt. Dhanbad, in dismissing from service Prabhu Bhar and Babulal Kole, Loaders, by order dated 28-5-1981 for the incident that occurred on 31-1-1980 is justified.

Reference No. 14 of 1984—the action of the management of West Mudidih Colliery of M/S. B.C.C. Ltd. P.O. Katrasgarh, Distt. Dhanbad, in dismissing from service Sitaram Beldar, General Mazdoor, by order dated 28-5-1981 for the incident that occurred on 31-1-1980 is not justified.

The management is directed to reinstate S/Shri Ganpat Das, Loader, and Sitaram Beldar, General Mazdoor, in service with effect from 28-5-1981 with 50% of their back wages from the date of their dismissal from service till their resumption of duty and to give them continuity in service. The management is also directed to re-instate them in service within one month from the date of publication of this award. The concerned workmen, Ganpat Das and Sitaram Beldar are directed to report for duty within one month from the date of publication of this award.

In the circumstances of the case, I award no cost.

S. K. MITRA, Presiding Officer.

## AWARD

By Order No. L-20012(98)/88-D.IV(A)/IR(Coal-I), dated, the 24th November, 1989, the Central Government in the Ministry of Labour, has in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section (2-A) of section 10 of the Industrial Disputes Act, 1947, referred the following dispute for adjudication to this Tribunal :

"Whether the management of M/s Bharat Coking Coal Ltd. is justified in not giving employment to Smt. Rani Hembram, W/O Late Y. V. Rao. Ex-VSF Technician, Gr. I of Mines Rescue Station, Dhansar? If not, to what relief Smt. Rani Hembram, is entitled to?"

2. The order of reference was received in the office of this Tribunal on 4-12-1989. In response to the notice issued by the Tribunal, the employer appeared through its Advocate, Shri Joshi. On the other hand, the concerned worker appeared through the Secretary of the sponsoring union, Dhanbad Colliery Karamchhari Sangh. On 12-4-90-the concerned worker Smt. Rani Hembram filed a petition under her signature and also under the signature of the Secretary of the sponsoring union to state that the management gave her employment in October, 1989 and hence, the present industrial dispute may be closed.

3. Since there remains no industrial dispute between the parties arrayed to adjudicate upon, I am constrained to pass "no dispute" award in the present reference.

This is my award.

## AWARD

The Central Government has referred the following industrial dispute to this Tribunal under Section 10 of the Industrial Disputes Act, 1947, for adjudication :

"Whether the section of the management of Divisional Engineer, Miscrowave Project, Divn-II, Bombay in relation to its Microwave Project at Solapur in terminating the services of Shri Vishwanath N. Shendge w.e.f. 29-10-1985 a Workman engaged on the Microwave Project, Solapur is justified? If not, to what relief the workman is entitled to?"

2. When the matter was called out for hearing on 25-4-1990, the parties filed consent terms and requested for Award being made accordingly. I have satisfied myself that the Workman has voluntarily consented to the terms. In effect the Management have agreed to reinstate him and he was given up his claim for back wages. The Management have further agreed to give all the benefits due to him on the basis of service rendered by him in the past. The terms are beneficial to the Workman. I accordingly make the award in the following terms :

(i) The Management agreed to reinstate the Workman as a casual labourer on daily wages basis under the Office of the Miscrowave Project, Solapur wherever there are vacancies.

(ii) The Workman shall not claim any back wages. However, the Management agrees to give all the benefits to him, including conferral of temporary status of a labourer by considering the past services rendered by him. Award accordingly. There will be no orders as to costs.

#### AWARD

The Central Government has referred the following Industrial Dispute to this Tribunal for adjudication under section 10 of the Industrial Disputes Act, 1947.

"Whether the action of the management of Departmental Canteen, Ghatkopar Telephone Exchange, Mahanagar Telephone Nigam Ltd., in terminating the services of Mr. Janardhan Poojari and Mr. Dayanand Poojari w.e.f. 13-5-87 is legal and justified? If not, to what relief the workmen are entitled to?"

2. The General Secretary of the Bombay Telephones Canteen Employees' Association is representing the two affected workmen Janardhan Poojari and Dayanand Poojari. Their simple case is that they had been working without any break as Cook-cum-Bearer and Bearer respectively in the Departmental Canteen of the Ghatkopar Telephone Exchange of the Mahanagar Telephone Nigam Limited, Bombay since 1st March, 1984. Their grievance is that they have been retrenched illegally from 13th May, 1987 by the Management without complying with the mandatory conditions of section 25-F of the Act. They submit that they are entitled to the wages and allowances

as applicable to the direct employees of the department as per Fourth Pay Commission's recommendations. They claim reinstatement with full back wages.

3. The Management resist the workmen's claim mainly on two grounds. In the first instance they state that Canteens stand excluded from the definition of 'industry' as per government order dated 18th February, 1982. The second objection is that the workmen's claim is bad, because the Union representing them is not registered under the Trade Unions Act.

4. The Management remained absent on as many as four dates (extending from June to September, 1989) before my learned predecessor Justice Jamdar. Finally on 6th September, 1989 he closed the reference for making an award. On 9th October, 1989 the Management came forth with their written statement and an application for setting aside the ex-parte award 'proposed to be passed'. Justice Jamdar retired in November, 1989 without making any award. On 27th November, 1989 I held that no orders were called for, inasmuch as Justice Jamdar had retired without making any award had directed the reference to proceed before me. The matter was fixed for 12th March 1990 when the Management again remained absent. Notice was directed to be issued to them with a warning that the reference would be decided in their absence, if they failed to turn up on the next date. In spite of service of notice, the Management remained absent on 2nd May, 1990. In these circumstances I have no option but to proceed in their absence.

5. The two workmen have filed certain documents and their affidavits dated 12th March, 1990 in support of their claim. The Management have not led any evidence—oral or documentary. In absence of any evidence on the side of the Management, their objection that the canteen does not fall within the definition of 'industry', remains unsubstantiated. The workmen have filed copy of the certificate dated 7th December, 1987 (Exh-W-8), which establishes that the Bombay Telephone Canteen Employees' Association is duly registered under the Trade Unions Act. The two affidavits of the workmen and the muster roll (Exh-W-7) establish that they have worked continuously from 1st March, 1984 to 12th May, 1987. The position that the requirements of 25-F of the Act have not been complied with, is not in dispute. The affidavits of the workmen and the Central Government's order (Exh-W-4 and W-5) bear out the workmen's plea that they are entitled to revised pay scales as per recommendations of the 4th Pay Commission, with effect from 1st January, 1986. Resultantly, the reference will have to be answered in favour of the workmen.

6. The action of the management of the Departmental Canteen, Ghatkopar Telephone Exchange, Mahanagar Telephone Nigam Limited in terminating the services of Shri Janardhan Poojari and Dayanand Poojari with effect from 13th May, 1987 is illegal and unjustified. The retrenchment is set aside, as void ab initio. The workmen are directed to be reinstated with effect from 13th May, 1987 with full back wages as per the revised scales with effect from 1st January, 1986. The Management shall comply

with these directions within two months from the publication of the award. They shall bear their own costs and pay those of the workmen, which are quantified at Rs. 250 for each. Award accordingly.

Industrial dispute No. 79 of 1988

### AWARD

1. The Central Government, Ministry of Labour, vide its notification No. L-41012/5/89-D.2(B) dated 22-6-1988, has referred the following dispute for adjudication to this Tribunal :

Whether the action of the Divisional Railway Manager Northern Railway Lucknow in not granting scale of Rs. 550--700 w.e.f. 1-9-1981 and Rs. 700-900 w.e.f. 1-1-1984 to Shri D. P. Awasthi, Instructor, TTC Alambagh, Lucknow is justified? If not to what relief the workman concerned is entitled?

2. The industrial dispute on behalf of workman Shri D. P. Awasthi, has been raised by Uttar Railway Karamchari Union (hereinafter referred to as Union). The case set up by the Union is that in 1979, the workman was working as TXR in Gr. Rs. 425--700. In March 1979, he was sent to work as Junior Instructor in TXR Training Centre Alambagh, LKO. However, his lien was maintained in the original cadre. In 1981, the railway Board issued orders for 45 per cent upgrading in the cadre of TXR. In pursuance of the said orders of the Railway Board, the General Manager (P) Northern Rly. Baroda House, New Delhi, vide his letter dt. 8-12-81, allotted 21 posts in the grade Rs. 700-900 w.e.f. 1-9-81. The Senior D.P.O. and D. M. E. Northern Rly. Lucknow,

however, operated only 11 posts and left unoperated the remaining 10 posts for want of selection by head Quarters Office. Later on HQs issued instructions to them to fill up these posts on Divisional Basis on the ground that the posts had been decentralised. All these 21 posts were to be filled up w.e.f. 1-9-1981 and arrears were to be paid to the incumbents accordingly from that date. Instead of filling up the remaining 10 posts they down graded these posts in grade Rs. 550--750 and filled up these posts from amongst senior most TXRs including the workmen who were working in Gr. Rs. 425--700, w.e.f. 4-2-84, instead of promoting them w.e.f. 1-9-81. Thus they committed a material irregularity by not filling up these 10 posts in Gr. Rs. 700-900 w.e.f. 1-9-81. As a result of it 10 posts in Gr 550-750 could not be filled up w.e.f. 1-9-81, and the workman could not get his promotion in grade Rs. 550-750 w.e.f. 1-9-81. Therefore, the workman is entitled for his promotion in grade 550-750 w.e.f. 1-9-81.

3. The Union further alleges that the Railway Board issued orders for structuring all the cadre of the TXRs w.e.f. 1-1-84. According to these orders 43 posts in grade 700-900 were to be filled up. All the head TXRs who were working in grade Rs. 550-750 prior to 1-1-84, if entitled for promotion in grade Rs. 700-900 by virtue of their seniority were to be promoted in grade Rs. 700-900 without undergoing written test or interview. They were to be promoted only on the basis of their character rolls. However, the Railway Administration did not fill up all these vacancies and made adhoc promotions w.e.f. 6-2-86 from amongst the senior most TXR in which the name of the workman was also included. Thus once again the Railway Administration committed an irregularity by not promoting the workman in grade Rs. 700-900 w.e.f. 1-4-84.

4. The Union has, therefore, prayed that the workman be held as entitled for his promotion in grade Rs. 550-750 w.e.f. 1-9-81 and in grade Rs. 700-900 w.e.f. 1-1-1984.

5. The management while admitting the fact that in 1979 the workman was working as TXR in Grade Rs. 425-700, and the fact that in March 1979, he was deputed to work as Junior Instructor in TXR Training Centre Lucknow, plead that vide HQ's Office letter dt. 7-12-81 copy annexure-1, the percentage distribution of posts in various grades in the category of TXRs was raised. As a result of it 21 posts in grade Rs. 700-900 (RS) were allotted to Lko. Division, which however could not be filled up by Head Quarter Office due to disputed Zonal Seniority of HTXRs Gr Rs. 550-700 (RS). The workman was at that time a TXR in Grade Rs. 425-700(RS) and was not entitled for being considered for promotion to grade Rs. 700-900 (RS). The management deny that vacancies in Gr. 550-750 (RS), as a result of promotion to be made to Gr. 700-900 (RS) were to be filled up, with their retrospective effect from 1-9-81. According to the management the additional posts were transferred to Divisional Office in 1984. In the meantime another upgrading was granted by HQ's Office vide letter dt. 9-5-1984, according to

which the cadre of TXRs in grade Rs. 700-900 (RS) was further increased from 21 to 43 in Lucknow Division. The copy of it is annexure A-2 to the written statement. The management contend that the workman became eligible for promotion to grade 550-750 against subsequently cadre restructuring w.e.f. 1-1-1984. The additional posts created due to cadre review from 1-9-1981 and from 1-1-1984 were to be taken into account at the time of formulation of panel for filling up selection Grade posts in the grade of Rs. 700-900. The additional posts created from 1-1-1984 in Grade Rs. 700-900 have been filled up by strictly in the manner prescribed by the Railway Board. The workman was promoted to Gr. Rs. 550-750 (RS) against cadre review w.e.f. 1-1-1984. He was not due for promotion to Gr. Rs. 700-900 (RS) from 1-1-1984 as all the posts in that grade available on 1-1-1984 had since been filled up. Even if the workman had any chance of being selected for promotion to Grade Rs. 700-900 (RS) from 1-1-1984, he was to undergo normal selection in terms of para 4.2 of the Railway Board's letter dated 9-5-1984. Thus the workman has no case at all.

6. The management have then raised some legal pleas. The management contend that the workman is holding a post of supervisory nature and is drawing a basic salary above Rs. 1600 per month and as such he is not a workman as defined under sec. 2(s) of the Act. Hence, there is no valid industrial dispute in the eyes of law and the reference order is bad in law. The management further contend that the Union is neither a recognised Union nor a registered Union. Accordingly it has got no legal right to raise the industrial dispute against the Railway Management. Lastly, the management plead that Shri B. D. Tewari, who has alleged himself to be the Zonal Working President of the Union has no authority to espouse any dispute under the I.D. Act, on behalf of the workman.

7. In its rejoinder the Union alleges that the workman is not performing any duty in capacity of an Administrative Officer nor he has been performing any managerial functions. As such he is very much a workman u/s 2(s) of the Act. The Union further alleges that being the largest Union it is fully authorised to raise an industrial dispute. The industrial dispute has been raised by an authorised office bearer duly elected unanimously by the General Body of the Union. No new fact has been alleged by the Union in the rejoinder.

8. At the very outset I may state here that it is practically a case of interpretation of the various documents relied upon by the parties. Therefore, I shall confine myself only to the documents filed by the parties.

9. Ext. M-3 is the copy of letter dt. 7-12-81 from the General Manager (P) New Delhi to various DRMs of the Northern Railway. It is on the subject of review of Grade (C) & (D) (Class III & IV) cadres on railways. It was in furtherance of office letter dt. 3-9-1981, with which Railway Board's letter dt. 21-8-1981 was circulated. By means of this letter the percentage distribution of the posts in various

grades in the category of TXRs|CWIs was fixed as under :—

Rs. 425—700 (RS) 55%  
 Rs. 550—750 (RS) 30%  
 Rs. 700—900 (RS) 15%  
 Rs. 840—1040 (RS) 10% of the posts available in Gr. Rs. 700—900 (RS)

The allotment of the posts in Lucknow Division in the above 4 grades was as follows :

Rs. 425—700		Rs. 550—750		Rs. 700—900		Rs. 840—1040	
P	T	P	T	P	T	P	T
60	25	38	11	17	4	2	...

Total : Permanent—117, Temporary 40.

Grand Total=157.

It was specifically stated by the General Manager (P) in this letter that the above cadre position would be effective from 1-9-1981.

10. Ext. W. 2 is the copy of letter dt. 16-4-1984 from the General Manager (P) H Qrs. Office Northern Railway, New Delhi, to DRMs Lucknow and others on the subject of decentralisation of the posts of TXRs|CWIs Gr. Rs. 700-900 (RS) from Head Quarter Office to Divisions. In this letter it was mentioned that the posts of TXRs|CWIs Gr. 700-900(RS) was a selection post. It was further stated that the selection of the staff against the said category after the issue of upgradation orders against upgraded posts as well as other posts could not be had so far due to non finalisation of seniority of TXRs Gr. Rs. 550-750 (RS) of all the Divisions. Another important fact that was mentioned that the senior most staff who would be positioned against the upgraded posts should be fixed in Gr. 700-900 w.e.f. 1-9-1981 and paid arrears accordingly from that date, if due.

11. Ext. M-5 is the copy of Railway Board's letter dt. 1-5-1984 addressed to General Manager, Northern Railway, New Delhi, on the subject of cadre review and restructuring of Group C cadres. According to this letter for the purpose of restructuring the cadre strength as on 1-1-1984 be taken into account. Para 4.1 of this letter provided that the classification of posts covered by restructuring orders as 'Selection' and 'Non Selection' would continue. Further if an individual railway servant becomes due for promotion to only one grade above the grade of the post held by him, on a regular basis, and such higher grade post was classified as a 'Selection' post the selection would be based only on scrutiny of service records without holding any written test or interview. Para 4.2 provided that where as a result of restructuring an individual railway servant becomes due for promotion to a grade more than one grade above that of the post held by him at present on a regular basis, the benefit of the modified procedure of selection as aforesaid would be applicable only to first such promotion and the second and subsequent promotions, if any, would be based only on the normal rules relating to filling in of 'selection' or 'non-selection' posts.

12. Thus from paras 4.1 and 4.2 it becomes clear that where there was only one grade promotion selec-

tion would be based on scrutiny of service records and where there was 2 grade promotion the selection would be based on written test or interview as the case may be. Annexure A to the letter described the percentage of posts as existing on 1-1-1984 and percentage of posts as revised by means of this letter by the Railway Board. It is as follows :—

Grade (RS)	Existing Percentage	Revised Percentage
Rs. 425—700	55%	33%
Rs. 550—700	30%	30%
Rs. 700—900	15%	27%
Rs. 840—1040	10%	10%

13. Ext. M-4 is the copy of Posts in Rs. 700-900 of letter from Sr. D.P.O. Northern Railway, Lucknow to all concerned circulating the letter dt. 9-5-1984 of General Manager (F) Northern Railway, New Delhi, alongwith the Railway Board's letter dt 1-5-1984, copy Ext. M-5.

14. Ext. M-6 is the copy of letter dt. 9-8-84, from G.M. (P) New Delhi to DRMs on the subject of Cadre Review and restructuring of Group 'C' Cadres of TXRs/HTXRs/CTXRs/CWIs. This letter was written with reference to letter dt. 1-5-1984 referred to in Sr. D.P.O's letter Northern Railway, Lucknow, copy Ext. M-IV and D.O. letter dt. 17-5-1984. It gave the revised percentage of the posts in various grades as mentioned in annexure A, to the railway board's letter dt. 1-5-1984, copy Ext. M-5, according to this revised percentage the position in the Lucknow Division as given in this letter became as follows :—

Grade (RS)	Permanent	Temporary
	Revised	
Rs. 425—700	39	13
	Old	60
	Revised	12
Rs. 550—750	38	11
	Revised	32
Rs. 700—900	17	4
	Revised	11
Rs. 840—1040	2	...
	Old	...

It follows therefore, that as a result of restructuring by Railway Board's letter dt. 1-5-1984, copy Ext. M-5 more posts of TXRs were upgraded.

15. Ext. W-3, is the copy of notice dt. 8-8-1984, issued by the Divisional Office, Lucknow by means of this notice Shri R. S. Dixit TXR Gr. 425-700 (RS) was temporarily appointed to officiate as HTXR Gr. 550-750 (RS), against vacancies which had accrued due to retirement of Shri S. R. Gupta. It further appears that 10 posts of CTXRs grade Rs. 700-900 (RS) lying vacant in the Division had been temporarily down graded to scale of Rs. 550-750 (RS) and 10 TXRs Gr. 425-700(RS) were temporarily appointed to officiate against the same. The notice also provided that promotion of Shri D. P. Awasthi, TXR Gr. Rs. 425-700(RS) Lucknow working under PSTS/

CB/LKO, would be considered after his resumption on the Division. With regard to 10 TXRs named it was made clear that their promotion was purely temporary on local ad hoc basis against temporarily down graded posts. They were liable to be reverted at any time without notice on administrative grounds. A copy of this notice was also endorsed to General Manager (P) New Delhi with the remark that out of 21 posts only 11 posts had been operated and the rest had been lying vacant. Therefore, in view of the exigency of services and to ensure better performance these ten posts had been down graded to the scale of Rs. 550-750 temporarily till such time suitable hands were made available to the office.

16. Ext. M-2 is the copy of Provisional Seniority List of HTXRs grade Rs. 1600-2060 on Lucknow Division on 31-1990. The sanctioned strength of the grade is given as 47. The name of Shri D. P. Awasthi concerned workman appears at serial no. 12, column no. 9, of it refers to date and regular promotions. Against the name of the workman the date given is 1-1-1984. In his cross examination, the workman has deposed that on 24-2-1989 he was in the pay scale of Rs. 700-900, revised scale being Rs. 2000-3200. It further appears that the scale Rs. 1600-2660 corresponds to grade Rs. 550-750 (RS). It means that he was placed in the grade Rs. 550-750 w.e.f. 1-1-1984.

17. The main contention of the authorised representative for the Union is that had all the 21 posts in the grade of Rs. 700-900 filled up, the workman would have got opportunity of being placed in the grade Rs. 550-750 w.e.f. 1-4-1984, and subsequently in the grade Rs. 700-900 w.e.f. 1-5-1984. This to my mind is nothing but a misconception on the part of both the Union and the workman. From Railway Boards letter dt. 1-5-1984, we have seen that where as Railway employee becomes due for promotion to only one grade above the grade of the post held by him and such higher grade post is classified as selection post, selection to the next higher grade would be based only on the scrutiny of the service record. But where he becomes due for promotion to a grade more than one grade above that of the post held by him, so far as the last grade is concerned, his promotion would be based on written test or viva voce as the case may be. We have seen that there were in all 157 posts both permanent and temporary of TXRs in Lucknow Division. By means of letter dt. 7-12-81, of the General Manager (P) New Delhi 4 grades were created and 157 posts were distributed in the manner stated above among those 4 grades. Naturally some of the TXRs were to get double grade promotion i.e. to say they were to be placed in the grade Rs. 700-900. As stated above, the selection for double fixing is dependent on written test or interview as the case may be. Unless and until such TXRs would get through that selection 21 posts could not have been filled up. Therefore, in its wisdom, the Divisional Office LKO., with a view to give more benefit to TXRs down graded the unfilled up 10 posts of Gr. Rs. 700-900. There is no evidence from either side to show that with the down grading of these posts, the number of posts in the grade Rs. 550-750 was so remained. The same i.e., 38 permanent and 11 temporary as envisaged by General Manager (P) letter dt. 7-12-1981, copy Ext. M-3. It was only

on account of down grading of the above 10 posts that Shri D. P. Awasthi workman could get promotion temporarily in grade Rs. 550-750. Had these posts not been down graded he would have been still in Gr. Rs. 425-700 as on 8-8-1984 on which date notice copy Ext. W-3 was issued by the Divisional Office Lucknow. The grievance, if any, could have been to those who had been hoping to get a double jump by being placed in the grade Rs. 700-900. They having no grievance, the Union/workman seems to be seeking a very very remote possibility of his being placed in the grade Rs. 550-750 w.e.f. 1-9-1981. Even those who are senior to him and who were given grade Rs. 550-750 with him have no complaint in this regard.

18. Thus I find that the Union/workman has no case at all. The workman was rightly promoted in the grade Rs. 550-750 w.e.f. 1-1-1984 and in the grade Rs. 700-900 in 1986 accordingly.

19. The reference is answered againts the Union/workman.

Industrial Dispute No. 26 of 1989

In the matter of dispute between :

Uttar Railway Karamchari Union  
96/196 Roshan Baja Lane,  
Ganeshganj Lucknow.

AND

The Divisional Railway Manager,  
Northern Railway Lucknow.

#### AWARD

1. The Central Government, Ministry of Labour, New Delhi, vide its notification No. L-41011/7/87 D.II(B) dated 17-1-1989, has referred the following dispute for adjudication to this Tribunal :—

Whether the action of the Divisional Rly Manager, N. R'y., Lucknow was justified in not regularising the services of S/Sh. Gaus Mohd, S/o Sh. Usman Khan, Ramesh Kumar, S/o Sh. S. D. Tewari and Ashok Kumar s/o Shri Kamta Prasad? If not to what relief the concerned workmen are entitled ?

2. The industrial dispute on behalf of the 3 workmen has been raised by Uttar Railway Karamchari Union (hereinafter referred to as the Union).

3. The Union's case is that workman S/Sh. Gaus Mohd., Ramesh Kumar and Ashok Kumar were recruited as substitute porters under Station Suptd. Northern Rly. Lucknow on 16-5-77, 13-10-77 and 8-8-77 respectively. According to the Union all of them had attained temporary status. Working of Shri Ashok Kumar specifically exceeded 1389 days on Jan. 1986. In the screening test held on 26-5-1987 whereas Shri Gaus Mohd. and Shri Ramesh Kumar were called Shri Ashok Kumar was not called. On the basis of the result of the Screening Test S/Shri Gaus Mohd and Shri Ramesh Kumar have been empanelled and regularised.

4. The Union alleges that many junior person as named in the letter of Shri Ashok Kumar addressed to the Divisional Personnel Officer N.R. Lucknow, copy Annex. I were also called in the said Screening Test and empanelled. The Union has, therefore, prayed that the services of Shri Ashok Kumar may be treated as regular. Thus from the claim statement it becomes clear that so far as Shri Gaus Mohd. and Shri Ramesh Kumar are concerned, the reference has become infructuous.

5. With regard to Shri Ashok Kumar workman, the management in their written statement plead that the name of Shri Ashok Kumar was also forwarded along with the other two workmen who qualified in the Screening Test and were consequently absorbed. Since Shri Ashok Kumar did not qualify he was engaged as a substitute porter from time to time. In November, 1988, when Shri Ashok Kumar was working as Lampman he absented himself after the expiry of sanctioned leave. The management deny that many junior to Shri Ashok Kumar empanelled and absorbed in regular service. According to the management in a selection it is open to an employer to prefer one junior in preference a senior. It is only in the matter of promotion that a junior cannot supersede a senior. The management deny the receipt of letter of Shri Ashok Kumar, copy of which is annexure I, to the claim statement. According to the management S/Sh. Mamraj, Bhagwan Din, Mohsin Khan and Bindia Prasad were found fit in the Screening Test and consequently they have been absorbed vide letter dated 17-12-87, S/Shri Harishanker, Mohd. Shamim and Prabhunath are still working as substitute box porter. The name of Shri Ashok Kumar is still in the list of substitutes and he can be engaged if the exigency so demand. The management further plead that the provisions of the I.D. Act, are not applicable to the Rly. Administration. They also plead that the Union has no legal right to raise an industrial dispute on behalf the workman. Hence in the circumstances Shri

Ashok Kumar is entitled to no relief.

6. In support of its case, the Union has filed the affidavit of Shri Ashok Kumar and a number of documents on the other hand the management have simply filed those documents with which Shri Ashok Kumar was confronted during his cross examination.

7. As observed above even according to the Union reference in respect of Shri Gaus Mohd. and Shri Ramesh Kumar has become infructuous as upon their selection in the Screening Test held on 26-5-87, their services have been regularised. Thus we are left with the case of Shri Ashok Kumar.

8. Shri Ashok Kumar was examined by the Union on 10-1-90. During his examination in Chief he tendered in evidence his affidavit dated 17-10-89 along with annexures. However, in para 4 of his statement in cross examination, he has stated that he does not know what is written in his affidavit. According to him he does not know English. He also states that affidavit was never read over nor its contents were explained to him before obtaining his signatures on it. It therefore means that in the eye of law there is absolutely no evidence from the side of the Union except what has been deposed to by Shri Ashok Kumar in his cross examination.

9. In his cross examination the workman admits that his name is still in the list of substitutes and in the said list it appears at serial no. 245. It means that he still continues to be a substitute porter.

10. Shri Ashok Kumar also admits in his cross examination that he was on leave from 16-11-88 to 27-11-88. He was confronted with his application dt. 25-5-89 by Shri Bhattacharya, the authorised representative for the management. He admitted that his application was made by him. Ext. M-1 is the photo-stat copy of his said application. In the said application he wrote that he had been on leave from 16-11-88 to 27-11-88. He prayed that he should be given duty. He admits that on his making the said application he was informed that as and when work will be available he will be given duty. After some time he was called to work as Box porter. For some time he worked as box porter. After he had made the said statement he was confronted by Shri Bhattacharya with his application dated 3-10-89, photo copy of which is Ext. M-2. He admitted that the application which bore his signatures was given by him. In his said application it was stated by him that he was unable to perform the duty of a box porter on account of continuous pain in his head. I need not touch upon any further statement made by Shri Ashok Kumar in his cross examination.

11. There is no doubt about the fact that unless he qualifies in screening test his services cannot be regularised. From the claim statement it is clear that the services of S/Shri Gaus Mohammad and Shri Ramesh Kumar were regularised only after they had qualified themselves in the screening test. We have seen above that his name is still in the list of substitute porters. Therefore he can well appear in the next screening test as and when it is held by the Rly. Administration.

12. The Union's case that many juniors to Shri Ashok Kumar were called for screening test and empanelled makes no sense so far as the question of regularisation of the services of Shri Ashok Kumar is concerned. It has been rightly pleaded by the management in para 5 of their written statement that in a selection it is open to an employer to prefer one junior in preference to a senior. It is only in matters of promotion that a junior cannot supersede a senior. Therefore, the relief as claimed by the Union in respect of Shri Ashok Kumar that he should be treated as regular in service cannot be granted. As said earlier he will have to qualify in the Screening Test. Since his name is still in the list of substitute porters the Railway Administration can be directed to afford him one more opportunity.

13. Hence, it is held that whereas the reference order has become infructuous so far as Shri Gaus Mohd. and Ramsh Kumar are concerned, the services of Shri Ashok Kumar cannot be regularised until he qualifies in the Screening Test. The Rly. Administration is however directed to give another opportunity to Shri Ashok Kumar to appear in the Screening Test and if he qualifies in it he should be regularised in service in accordance with Rules.

14. The reference is answered accordingly.
